ANIMAL CASTLE VOLUME 1 HC

Ablaze Comics

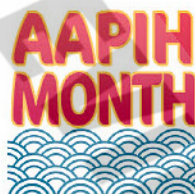

For fans of the bestselling *Stray Dogs* and the Eisner Award-winning *Beasts of Burden* comes an animal fable at once familiar and surprising! You may think you know the story, but set aside your assumptions: This animal uprising from Xavier Dorison & Felix Delep is unlike any you have read!

THE GREEN HORNET: KATO DELUXE ACTION FIGURE

Diamond Select Toys

TV's *Green Hornet* was born out of the *Batman* craze of the '60s as a companion series to the campy hit. But the series didn't last. What DID last was the legacy of Bruce Lee's portrayal of the incomparable Kato, who fought side-by-side with the Hornet. Now DST brings the iconic Bruce Lee character to life as this deluxe action figure, ready to rumble!

MAY THE FORCE BE WITH YOU... IN MAY!

45 years ago on May 25th, 1977, sci-fi fandom — and indeed many other facets of fandom including comic books, toy collecting, CosPlay (which didn't even have a proper name yet), and more — changed forever. George Lucas' STAR WARS debuted, and no one would look at the many facets of fandom (and life in general) in the same way again.

STAR WARS changed the face of reality... it captured the imaginations of those who followed sci-fi as well as average moviegoers who had never seen its like before (or had they?). It changed how we went to the movies, the age of the blockbuster was upon us in full force (no pun intended), launched two years earlier by Lucas' friend and fellow filmmaker Steven Spielberg with his adaptation of Peter Benchley's JAWS. And it was just the start...

It changed the ways we bought and collected toys. When STAR WARS premiered, there were no action figures available for the holidays, just a cardboard envelope with the promise of action figures by mail in the New Year. And those "Early Bird" envelopes sold and sold. Eventually, "Mint on Card" became a thing thanks to the hundreds of action figures that followed over the decades. Rare Boba Fett figures with a working missile launcher are the rarest of rare STAR WARS collectibles and can fetch prices of more than 200K!

And now this month, it feels like STAR WARS has returned once again with the highly anticipated new Disney+ series, OBI-WAN KENOBI. This new series tells the story of Obi-Wan as he guarded the life of young Luke Skywalker, deposited with his Aunt Beru and Uncle Owen on Tatooine. The series is set roughly a decade before A NEW HOPE, and we can expect some exciting moments

when the first two episodes drop on May 27th... rescheduled from its original May 25th release date — but now dropping TWO episodes in one day!

Inside this issue, we have a lot of great new STAR WARS merchandise, from the films, from the Disney+ series, the Expanded Universe, and more.

May is also *Asian American/Pacific Islander Heritage Month*, when we recognize the contributions and influence of Asian Americans and Pacific Islander Americans to the history, culture, and achievements of the United States. We have a great batch of graphic novels and books from which to choose throughout the issue and have highlighted some of the standouts on pages 212-213... including a bust of Fennec Shand from THE BOOK OF BOBA FETT, as played by Asian American actress Ming-Na Wen of *Agents of S.H.I.E.L.D.* and *Mulan* fame!

Lastly, don't forget to head to your local comic shop for FREE COMIC BOOK DAY on Saturday, May 7th! There's going to be a bunch of great new titles that will be available, FREE of charge, from participating shops! Join us at Scoop.PreviewsWorld.com!

Marvel Comics #1 \$2.4M Sale Leads ComicConnect \$10.8M Auction

ComicConnect's March 2022 Event Auction #49 totaled over \$10.8 million, led by the *Marvel Comics* #1 CGC 9.2 Pay Copy sale at \$2,427,778. For 2022, it's the first Marvel book to sell for over \$1 million, the second highest comic price achieved at auction, and just the third book to surpass \$1 million. It's also 10% higher than ComicConnect's previous record sum.

Published in 1939, *Marvel Comics* #1 is one of the most important comics of all time, marking the beginning of the Marvel universe. The Pay Copy is especially known for the penciled-in notes detailing that cover artist Frank R. Paul was paid \$25 to draw the cover, and that payments were made to writer Bill Everett (for creating the Sub-Mariner storyline) and artist Carl Burgos (for the Human Torch character), among others.

Boba Fett Prototype Nabs \$204K as Hake's Auction Soars to \$3.2M

Hake's Auctions closed their March 2022 premier event with a total of \$3.2 million in sales. The auction's top spot went to the Boba Fett rocket-firing prototype (J-slot, Version 2) AFA 50 which set a new world record at \$204,435. The extremely rare Cox and Roosevelt 1-1/4" campaign button also set a world record, selling for \$185,850.

Other sales highlights were *The Empire Strikes Back* – Three Pack Sears exclusive AFA 75 for \$42,834, the *Star Wars* Jawa 12-back-A (vinyl cape) AFA 75 for \$36,285, Ed Hannigan's *Incredible Hulk* #283 original cover for \$33,314, and Boris Vallejo's *The Green Princess* original art for \$32,448.

Renee Montoya: A Woman in No Man's Land

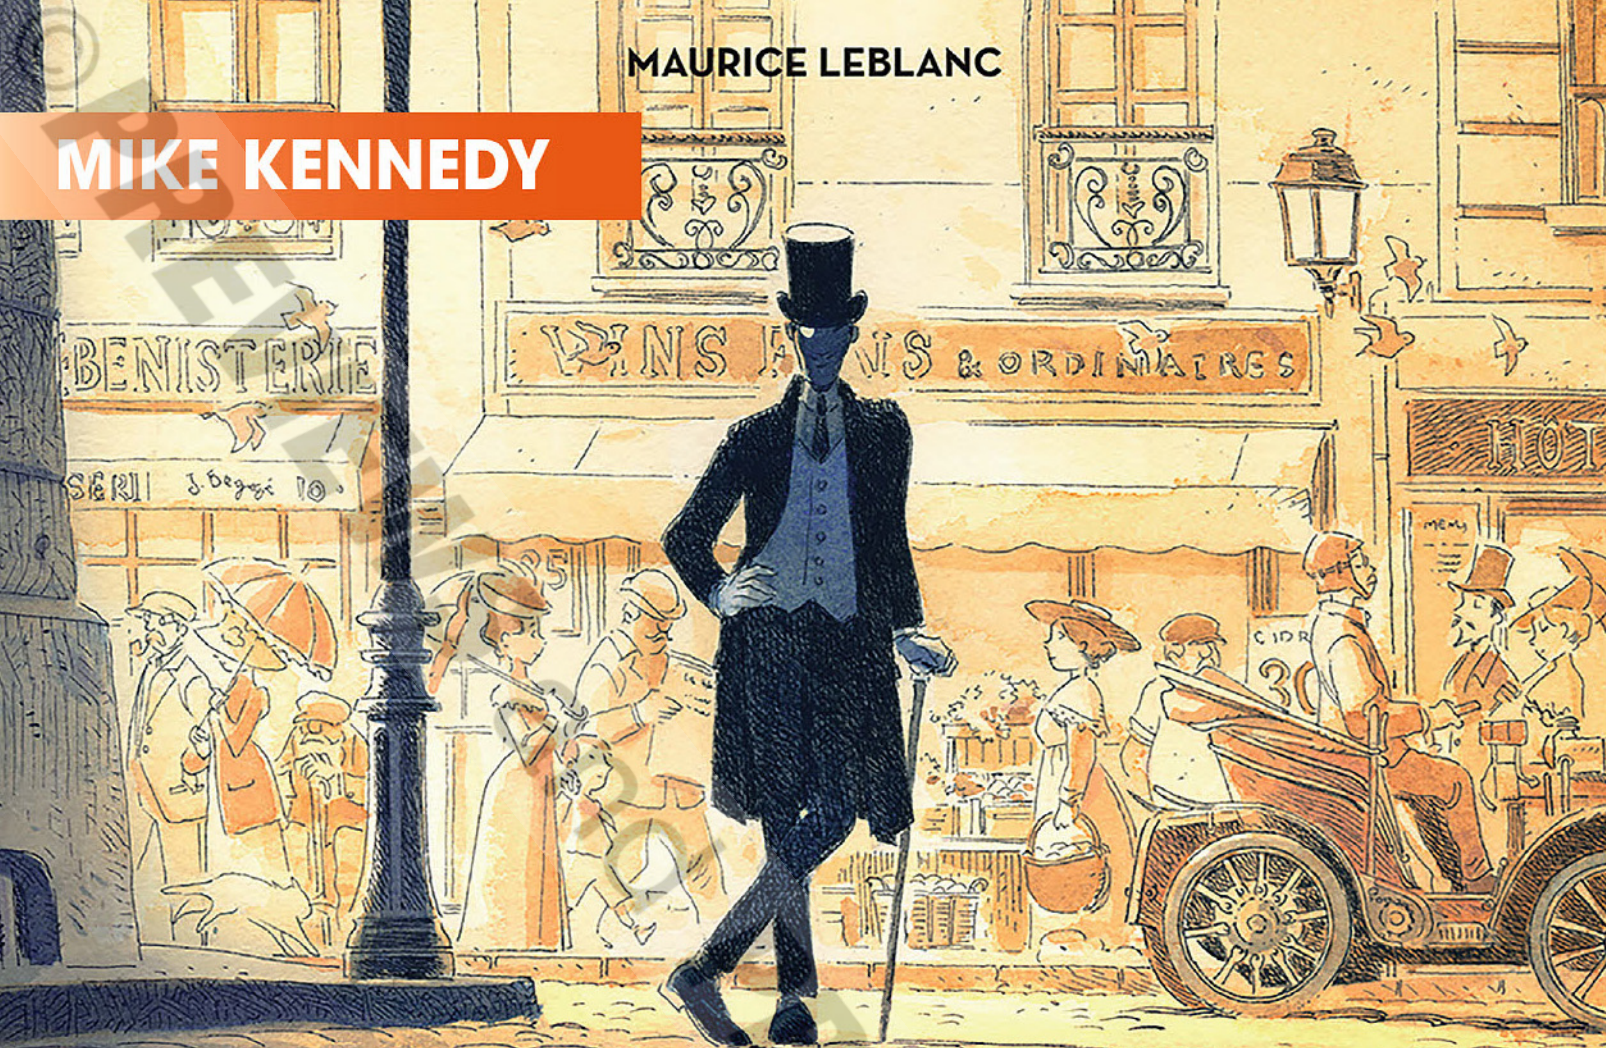

Renee Montoya is a street cop who rose through the ranks of the Gotham PD and eventually became the Question. Her skills were put to the test when Gotham was cut off from the rest of the country in *No Man's Land*. Renee was one of the police officers who stayed behind to help protect vulnerable citizens from the villains who were now running the city.

She tried to broker peace between Commissioner Gordon and Two-Face by appealing to the Harvey Dent side of his persona, but the Two-Face side won, and he decided to hold Renee captive and put Gordon on trial. Still thinking logically, Renee told Two-Face that Gordon should be given a defense attorney, and this time her persuasion worked. Harvey Dent acted as Gordon's defense, convincing his other half to free Renee and Gordon.

Please tell us a bit about yourself!

I'm a writer / indie publisher who started off designing and producing narrative content for video games at companies like Namco and Electronic Arts, while also writing comics for Dark Horse and DC in my spare time. In 2011, I joined indie graphic novel publisher Archaia Entertainment as Publisher during its heyday of Eisner nominations and Henson titles, before setting off to launch Magnetic Press in 2014. Since then, Magnetic has released nearly 200 graphic novels, comics, artbooks, and games, earning various nods and nominations including 23 Eisner Award Nominations.

While much of my recent writing over the past few years has been translating and editing some excellent titles for Magnetic, I'm excited to be preparing more original creative projects for release this year and beyond.

What are your favorite projects you've contributed to over the past decade?

Writing so many *Star Wars* books for Dark Horse was a fanboy dream and seeing them reprinted and included in the current Marvel/Disney library is awesome. Being able to write a whole miniseries with Lando Calrissian and Han Solo in "*Underworld: The Yavin Vassilika*" (coming out in July in *Star Wars Legends Epic Collection: The Empire Vol. 7*) was a blast I doubt I'll ever top, and working with the late, great Carlos Meglia on that and *Superman: Infinite City* will always be highlights. I also really enjoyed writing and directing a few big "jam anthology" projects over the years, including *BleedOut* (DEC138222) and *Hawken*. These were opportunities to not only write some great speculative sci-fi, but to work with some amazing artists in the process: Bill Sienkiewicz, Glenn Fabry, Howard Chaykin, Sanford Greene, Tim Bradstreet, and a long list of other creators I've idolized.

What are you currently working on?

Right now, I'm putting the finishing touches on *50 Animated Years of Lupin the 3rd*, an anniversary coffee table book that takes a comprehensive look back at the anime legend created by the late Monkey Punch since its television premiere in 1971. It's an amazing love letter to one of my favorite anime properties since first discovering it in Hayao Miyazaki's directorial debut, *The Castle of Cagliostro*, and with nearly 400 episodes, OVAs, and feature films released since, this book leaves few corners uncovered. Beyond that, I'm hard at work on a few narrative game designs and RPG projects tied to some popular licenses that we hope to reveal soon, as well as continuing to translate some more great books by some of the best comic authors abroad.

What fun titles are you reading?

Aside from a bunch of cool translation acquisition candidates, I'm really looking forward to *The Weatherman Volume 3* (first issue coming later in 2022!) from Nathan Fox and Jody Leheup. Nathan's one of my favorite comic artists, and the series is bonkers. I'm a regular day-1 buyer of anything by Daniel Warren Johnson - *Extremity* (Vol. 1: Artist / JUN170645), *Murder Falcon* (APR190061), and his recent run on *Beta Ray Bill* are like the best cake imaginable! I also absolutely devoured the recent *Lupin III: Greatest Heists* (SEP212101) collection of original Monkey Punch manga released in December.

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

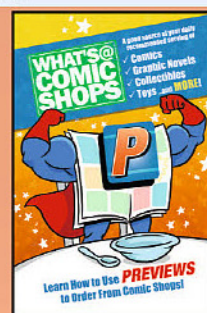

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your

comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of **PREVIEWS**, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through **PREVIEWS**! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, **PREVIEWS** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout

the Comics & Graphic Novels section.

ESSENTIAL ITEM

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in **PREVIEWS** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its **PREVIEWS** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;

1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;

1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.

1 = Item is expected to ship within 60 days of the EST SHIP DATE.

2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w = Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

USER'S GUIDE

ORDERING GUIDE

Ordering from your local comic shop is easy!

There are **3** simple ways to order:

1

Use the Short Order Form.

Fill in with the items you'd like to order from this issue.

2

Ask for the companion Customer Order Form.

We offer a companion order form that features a complete listing of every product offered in this catalog. Fill out what you want to order and hand in to your comic shop to place an order!

3

Ask your retailer about their "Pull & Hold" service.

Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of **PREVIEWS**, Marvel **PREVIEWS**, and the **PREVIEWS** Customer Order Form each month so you can place your orders easily! For more information and to sign up, go to previewsworld.com/pullbox

Not sure where to find a local comic shop?

MERLIN WAGES WAR AGAINST SCIENCE ACROSS TIME IN LIAM SHARP'S IMAGE SERIES *STARHENG*

In the far future, magic itself is under assault. Merlin, the immortal wizard of the Arthurian legend, must travel through time to prevent the extermination of magic in Liam Sharp's new Image Comics series, *Starhenge Book One: The Dragon & The Boar*.

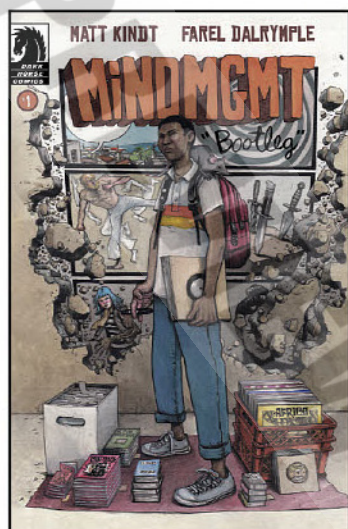

To win the war between magic and science, robots from the future travel back to the fifth century, intent on ending magic itself in the dim mists of history. To stop them, Merlin must follow them to a time when his younger self was a trusted advisor to the legendary King Arthur.

Sharp, the acclaimed artist behind *Judge Dredd*, *Death's Head II*, *The Green Lantern*, and much more besides, writes and draws *Starhenge Book One: The Dragon & The Boar*, an epic Arthurian adventure that spans past, future, and present and begins this July!

THE LINES BETWEEN REALITY AND MADNESS BLUR AS DARK HORSE COMICS' MIND MGMT RETURNS

In the aftermath of World War I, the United States government formed an espionage agency of psychic spies known as MIND MGMT, and the wars of the future would be fought in battlefields on the ground, on and below the seas, in the skies, and in the mind itself. Whoever controls the mind — and the way a person perceives the reality around them — would control the future. Created by writer/artist Matt Kindt,

the original run of *MIND MGMT* charted the collapse of the spy agency as an agent went rogue.

Kindt's *MIND MGMT* returns this summer in Dark Horse Comics' *MIND MGMT: Bootleg* from Kindt and artist Farel Dalrymple. A former agent embarks on a mission to recruit a new cadre of psychics to rebuild the agency, but the rules of the game of psychic warfare have changed. Can a new era of psychic spies adapt and thrive when other psychics are rewriting reality itself in the mind? Plus, issue of *MIND MGMT: Bootleg* will come with a polybagged variant that comes with a playing card that can be used on its own or with the *MIND MGMT* board game. Look for the first issue this July!

DISCOVER THE ORIGINS OF ASTRO BOY IN TITAN'S *ATOM: THE BEGINNING*

Osamu Tezuka's Astro Boy has been one of the world's most acclaimed and beloved manga properties for seventy years. In 2014, Tezuka Productions brought together Masami Yuuki and Tetsuro Kasahara to develop the backstory of Astro Boy, his creation, and the student researchers who developed a revolutionary AI following a catastrophe that rocked Japan. Titan Comics brings that tale to English readers this summer in *Atom: The Beginning*, and readers will discover the story of A106, better known as Atom and how he came to be!

THE HEADLESS HORSEMAN RETURNS IN BOOM!'S COMING-OF-AGE GRAPHIC NOVEL *HOLLOW*

A teenager moves to Sleepy Hollow, the New York town made famous by Washington Irving in his short story "The Legend of Sleepy Hollow," and with new friends, she finds herself facing the Headless Horseman in BOOM! Studios' new graphic novel, *Hollow*, from Lumberjanes' Shannon Watters, Brandden Boyer-White, and Berenice Nelle. When Izzy Crane meets Vicky Van Tassel, the descendent of the family whose curse was chronicled in Irving's short story, she finds someone completely over the old family legend not to mention a burgeoning crush. But the Headless Horseman isn't an old legend, the curse that plagued the family two centuries ago isn't dead, and Izzy and her new friends will have to end the Headless Horseman forever in this new graphic novel!

ALPHA BETAS, THE NEW ANIMATED SERIES FROM THE STUDIO BEHIND *RICK AND MORTY*, COMES TO COMICS IN MASSIVE'S NEW SERIES

Four of the world's top gamers get caught in a battle between the United States military and a digital terrorist organization in an online world with real-world implications in *Alpha Betas*, the new animated series from 3Blackdot and Starburns Industries, the studio behind the hit series *Rick and Morty*. Now the action-comedy of *Alpha Betas* comes to comics in a new series from Kyle Starks and Michael Calero for Massive, Behemoth's new imprint. Can four gamers save the real world and the virtual world? The battle is on this July in *Alpha Betas* #1!

ONI PRESS CELEBRATES ITS 25TH-ANNIVERSARY WITH A SPECIAL EDITION OF *WHITEOUT*

Founded in 1997 by Bob Schreck and Joe Nozemack, Oni Press established itself as a major publisher of comic books and graphic novels that pushed the boundaries of the form. One of the earliest works published by Oni was Greg Rucka and Steve Lieber's *Whiteout*, a murder mystery set in Antarctica, later adapted to film starring Kate Beckinsale. Oni celebrates its quarter century history this July with the *Whiteout: Oni 25th-Anniversary Edition* #1, a reprint of the original issue with a special foil cover. Get a piece of comics history and toast one of its important publishers with this reprint!

THE FUTURE RETURNS WITH IMPACT MERCHANDISING'S SPIDER-MAN 2099 T-SHIRTS

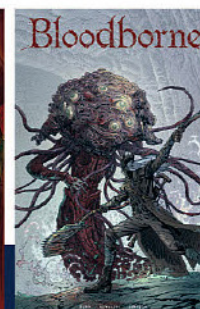

Nearly thirty years have passed since Marvel Comics took its readers to the end of 21st-century in their 2099 line of books which launched with Peter David and Rick Leonardi's *Spider-Man 2099*. Miguel

O'Hara, the future wallcrawler, stars on three new t-shirts from Impact Merchandising available exclusively through **PREVIEWS** — the "City" t-shirt, which shows Spider-Man 2099 swinging over New York; the "Don't Get In His Way" t-shirt, which features a classic cover; and the "Tunnel" t-shirt, which finds Spider-Man 2099 in a tight situation! It may be a different era with different heroes, but these t-shirts will look great in any era!

**NEW COMIC SERIES BASED ON THE
CRITICALLY ACCLAIMED GOTHIC GAMING
HIT, BLOODBORNE!**

Fan-favourite artist Piotr Kowalski returns to the series with Eisner nominated writer **CULLEN BUNN** (Wolverine, Spider-Man: Season One).

CULLEN BUNN

Hey Cullen, it's great to have you with us to talk about this exciting new beginning. Tell us, what first attracted you to the Bloodborne world? Are you a fan of the original game?

C: I was familiar with Bloodborne long before I actually played the game. I stumbled across it while doing research, and I was immediately fascinated by the look and feel of it. I remember calling a friend of mine, who was a big gamer, and asking him if he was familiar with it, and he went on and on about how amazing it was. Not just the game, but the world and the story. A while later, I actually played the game. And it took me forever just to get out of the first section of the city. But I loved it and was enthralled by the depth of it all.

How did you feel when you got the news you'd be working as the writer on this whole new series?

C: This is one of those series that I just felt like I was the perfect person to write. I felt like I could do something a little different and unexpected. I'm thrilled to have the chance. It really is an honor to build this story for Bloodborne fans, to expand a world so many love.

How did you approach writing the story, in terms of building from the established narrative of the game?

C: Bloodborne is, of course, a story of hunters, as much as illuminating different aspects of it. Players create unique hunters, equip them with wild equipment and weapons, and embark to face the Scourge. With this tale, I wanted to introduce several hunters, all working alone, for the most part, but coming together to face a greater threat. So, we have the opportunity to see the dangers of Yharnam from several different points of view. I wasn't interested in deconstructing or changing the world and story of Bloodborne as much as illuminating different aspects of it.

What do you think makes Bloodborne a good fit for adapting into comic form?

C: Visually, the world of Bloodborne is stunning—from the setting to the monsters to the characters—and that's a great place to start when it comes to a comic. Throw in the mystery, the horror, the tragic character moments, and the fast-paced action, and you've got a great recipe for adaptation.

What do you think fans of the game will love most about this new series?

C: I think readers who have never played Bloodborne can really enjoy this comic, but fans who have played the game will find lots of nods to the time they've spent exploring the world. I've really tried to make this series feel like part of the adventure they might be playing through themselves, and they'll be thrilled to see sights they know and love along the way.

Writer **HANNAH ROSE MAY** makes her comic debut with rising-star artist **JUSTIN MASON** for an all-new series with **DECLAN SHALVEY**.

The Purge meets *Scream* in a home invasion thriller that follows disenfranchised TV superhero actress **Maisie Wade** as she is terrorized by an unhinged group of intruders cosplaying as her day job's archvillains. If Maisie is going to survive the night, she'll need to be the hero she has come to despise.

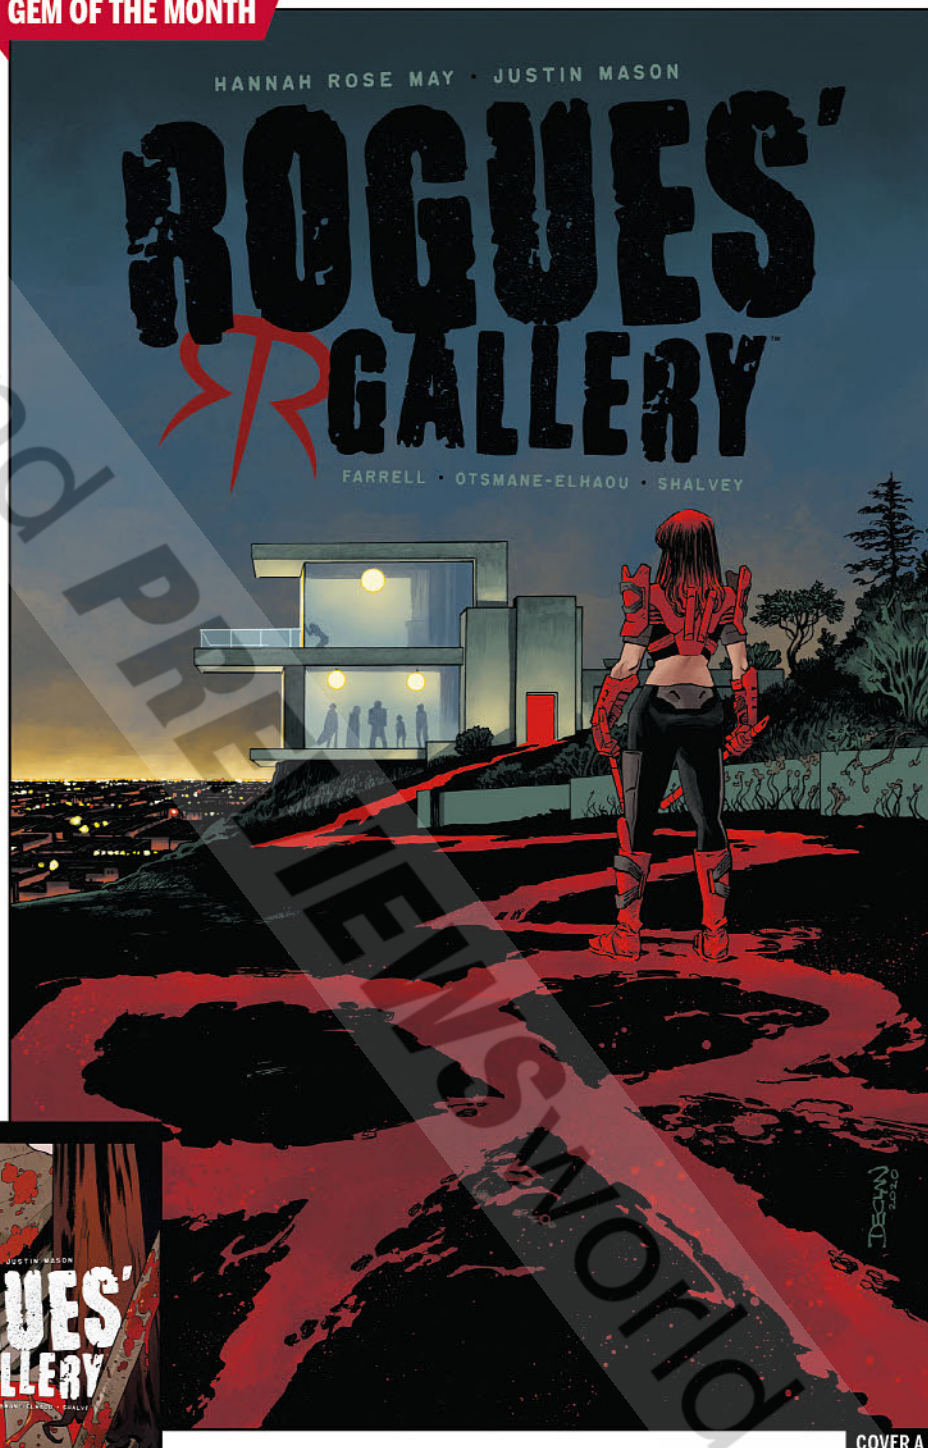

The Purge meets *Misery* in a twist on the classic slasher tale where a celebrity's biggest fans can become her biggest foes.

Revered creator **LIAM SHARP** cuts loose in his visually stunning six-issue masterpiece, **STARHENGE, BOOK ONE!** A future Merlin travels to 5th-century Britain to prevent monstrous time-traveling killer robots from robbing the universe of magic, and Amber Weaver's lively present-day narrative reveals how she becomes drawn into a war across time!

The Terminator meets *The Green Knight* in 30 enthralling story pages, setting the scene for this original epic inspired by the Arthurian sagas!

"A star-spanning saga of ancient magic and deep science, vividly told by a modern master of the comics medium." —**DAVE GIBBONS**

"The kind of 'epic' you crave—both noun and adjective. And even that doesn't quite capture **LIAM SHARP**'s astonishing scope and vision. There's magic in these pages." —**KELLY SUE DeCONNICK**

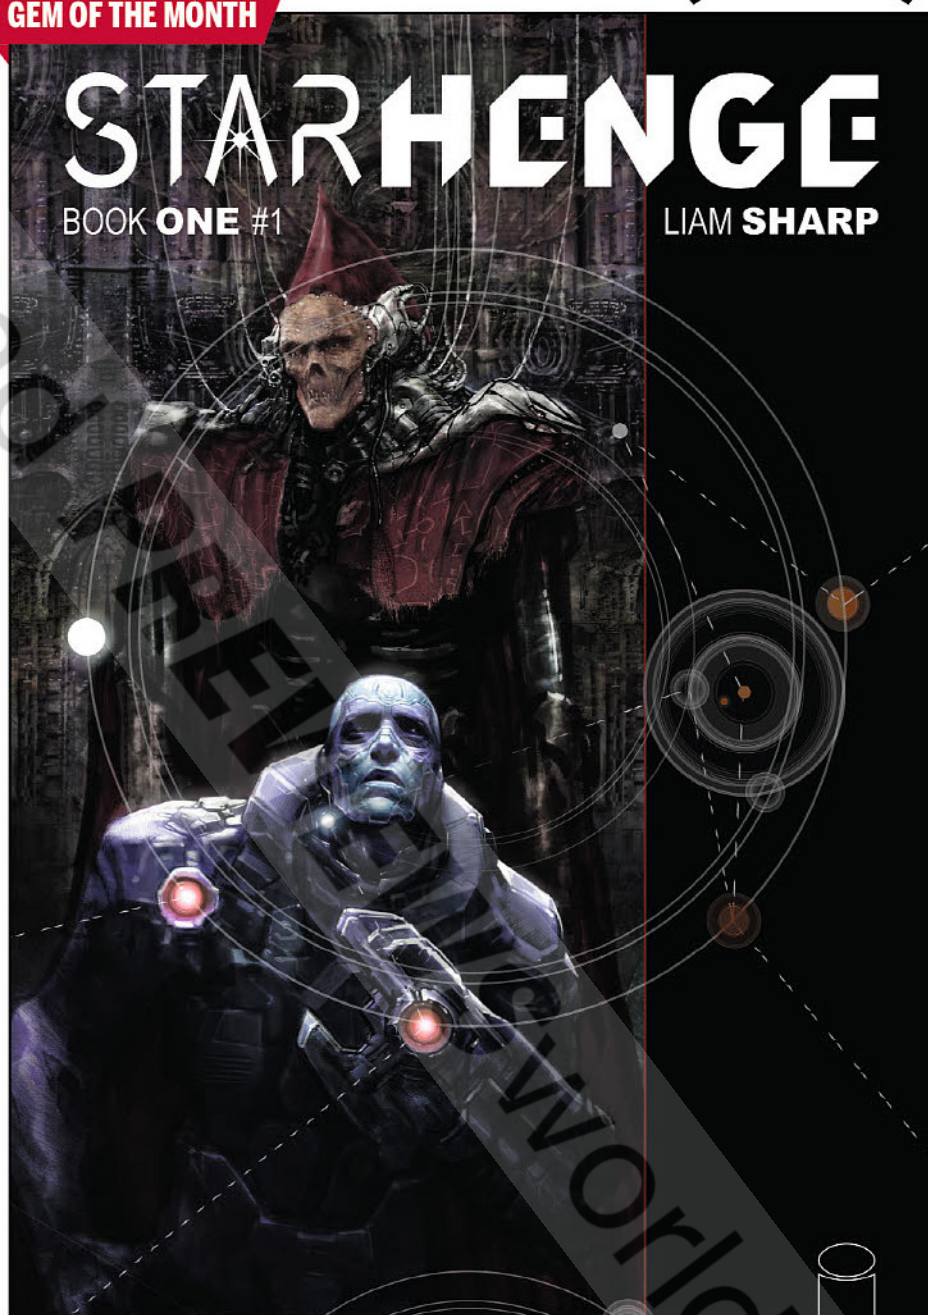

"Jaw-dropping and epic and massive and totally a **LIAM SHARP** book, but not any kind of **LIAM SHARP** we've ever seen before or maybe even expected? **LIAM** is breaking out all kinds of moves and modes that people who know him—from, like, *Green Lantern* or whatever—will never see coming. This is a gorgeous and incredible and MASSIVE swing for the stars that declares his ambitions have taken him to some exciting and undiscovered territories... Bravo, congrats, cheers, and exhale—this is glorious." —**MATT FRACTION**

Excalibur meets *Terminator* in this high-stakes time-traveling tale featuring one of the most iconic characters in Arthurian lore.

Rachel is a teenager who lives a gray suburban life in gray suburban England. It's a world of brown sauce, warm beer, and scrambled eggs every Tuesday. With her summer already mapped out for her—a job working at the butcher and a caravan holiday in Clacton—it seems like this year will only bring more of the same. So when family friends invite her to spend the summer with them in Greece, she jumps at the chance to escape her life and finally be treated like an adult.

The Warners are everything her parents are not—glamorous, sophisticated, and carefree—and when Rachel meets Benjamin, a handsome young friend of the Warners, her summer seems to be taking a turn for the better. But there's no escaping the pains of growing up, and she'll soon learn that life on a small island where everyone knows each other's business may not be all it's cracked up to be.

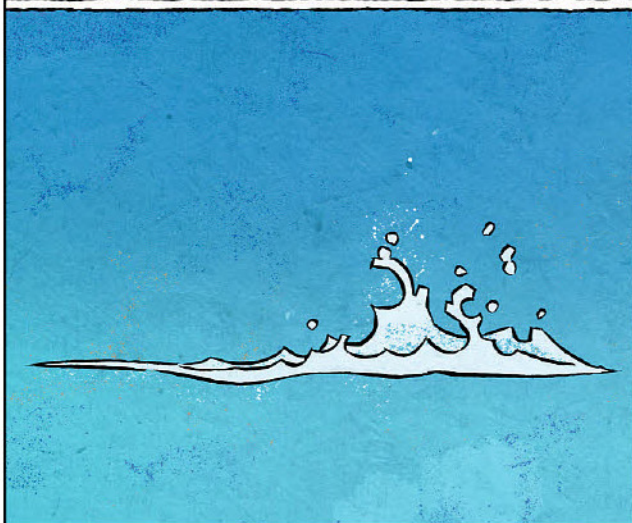

Drawn by **SIMON GANE**, the artist behind Eisner-nominated *Ghost Tree* and *THEY'RE NOT LIKE US*, and written by **ANDI WATSON**, author of *The Book Tour*, *Kerry and the Knight of the Forest*, and the forthcoming *Punycorn*.

It's been one year since a comet hit Earth and blotted out the sun. Now, the world is a dark, cold landscape ruled by vampires.

In the British countryside, a band of survivors has formed a resistance in the fallout shelter of a medieval castle. Among them is Darcy, a young, headstrong fighter waiting for the chance to prove she can be on the front lines. But when that opportunity comes, Darcy will come face to face with the true horrors of this new world.

From creator **TRAVIS BEACHAM** (*Pacific Rim*) and artist **STEPHEN GREEN** (*Hellboy and the BPRD*) comes the prequel to the hit Audible Original.

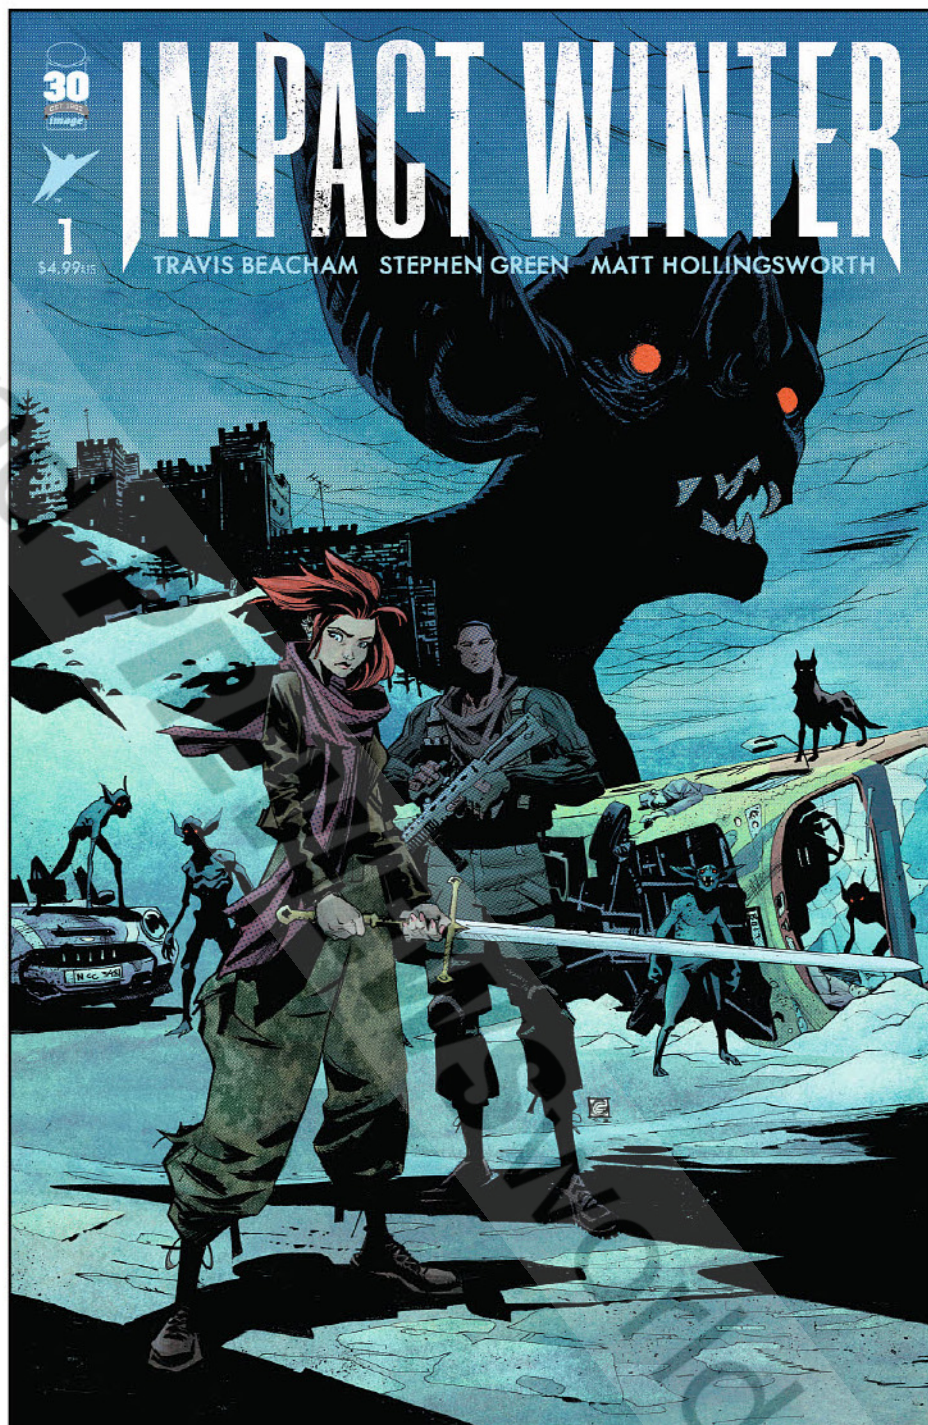

In this standalone issue prequel to the hit Audible Original, *30 Days of Night*

meets *Once & Future* in an eternally sunless post-apocalyptic world of vampires, swords, and the brave few who stand to fight and survive.

COLLECTS DOG DAYS #1-2, PLUS THE STRAY DOGS FCBD PROLOGUE

The follow-up to 2021's surprise cartoon/horror smash hit, **STRAY DOGS!** In **DOG DAYS**, each of the Strays gets their moment to shine with a series of vicious short stories. Questions are answered, mysteries are solved, and old wounds get torn open. This genre-bending thrill ride takes the reader from the first dog the Master captured to the final moments at his house of horrors.

STRAY DOGS: DOG DAYS is a heartbreakingly adorable horror anthology by *My Little Pony* comic artists **TONY FLEECS** & **TRISH FORSTNER**. In this collection...every dog has its day.

"Another suspenseful and gut-wrenching journey into darkness that blends **Don Bluth**-inspired cuteness with **Hitchcock**-level terror." —**Lotusland Comics**

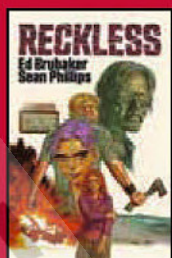

"The bold artwork combines with vivid storytelling, all of which wraps around the reader's heart and refuses to let go." —**Monkeys Fighting Robots**

The sold-out, Eisner Award-nominated horror series rages on with more mind-bending twists! From Rodney Barnes, the writer behind such hit shows as Marvel's **Runaways** and STARZ's **American Gods**, and **JASON SHAWN ALEXANDER**, the artist who redefined **SPAWN**.

George Washington, the first president of the United States and the one true vampire king, has stepped out of the shadows to take back America and remold it into something far more wicked. Now, James Sangster and son must find a way to stop the undead commander-in-chief, but at what cost? And will there even be an America left to save after he's done with it?

The cloned savior clings to life...and it's up to the Saved to save him!

Jesus might be a clone of the original, but even so, history's intent on repeating itself. Betrayed by those he was fighting to save, Jesus lay bleeding out in the streets of New Vatican City. His only hope is the Saved, the societal outcasts Jesus protects. Championed by Jesus's mortal cousin, John the Mechanic, the Saved spark an all-out assault on New Vatican City to rescue Jesus. But not even Jesus knows it's not just the Saved in danger. If Dracula activates his deadly machine, everyone in the world—human and vampire alike—dies!

Queer Romance comes to Sleepy Hollow courtesy of the Co-Creator of *Lumberjanes*!

Isabel "Izzy" Crane and her family just moved to the infamous Sleepy Hollow, but as a slick skeptic from the city, she's too busy adjusting to the change of scenery for ghost stories—they're not real, after all.

Then she meets Vicky Van Tassel (yes, THAT Van Tassel) and the loveable prankster Croc Byun. Vicky's weariness with the legend turns to terror when the Horseman himself shows up, along with a curse set on destroying the Van Tassel line.

Now, they have only until Halloween night to break the curse. What an inconvenient time for Izzy to develop a massive crush on Vicky! Can Izzy and her new friends uncover the mystery of the Headless Horseman before it's too late?

New York Times-bestselling writer **Shannon Watters** (*Lumberjanes*) and debut author **Branden Boyer-White** are joined by artist **Berenice Nelle** (*Wanderlicht*) in a modern coming of age sequel to *The Legend of Sleepy Hollow*.

MORE FROM THE WORLD OF SOMETHING IS KILLING THE CHILDREN

Relive the "Archer's Peak" saga again, or discover the epic adventure for the **very first time!**

When the children of Archer's Peak—a sleepy town in the heart of America—begin to go missing, everything seems hopeless. Most children never return, but the ones that do have terrible stories, impossible details of terrifying creatures that live in the shadows. Their only hope is the arrival of a mysterious stranger, one who believes the children and claims to be the only one who sees what they can see. Her name is Erica Slaughter. She kills monsters.

Former special forces soldier and now elite Scout bounty hunter Daniel Legend is leaving the mean streets of Los Angeles for the meaner streets of Shinjuku. In the real world, Tokyo's most cosmopolitan ward—center of metropolitan power, cross-roads of traffic, den of vice. But in *Shinjuku*, Daniel Legend, in search of his missing sister Angela, discovers the unreal city: *Shinjuku*. In this realm where lowlife crooks and subterranean monsters spill blood alike in the shadows, three rival *yakuza* leaders hold control over every earthly crime in a tense triad of greed.

Film and video director Christopher "mink" Morrison, veteran of Quentin Tarantino and Lawrence Bender's *A Band Apart*, is the author of *Shinjuku*, a story whose urban mix of action and horror is illustrated with raw, propulsive energy by world-famous illustrator Yoshitaka Amano (*Final Fantasy*, *Vampire Hunter D*).

Following the explosive conclusion to Vampirella/Dracula: Unholy comes the next chapter in Christopher Priest's Vampirella saga! Wanted for murder, and with every demon, shaman, vampire, whack-job zealot, reporter, and law enforcement officer on Earth hunting for her, Vampirella has taken refuge in an undisclosed location where she questions why she came to our world in the first place.

Critically acclaimed European artist Ergün Gündüz rejoins Christopher Priest for an expanded reimagining of Forrest J Ackerman's classic origin story, with framing sequences set in the present day illustrated by Giovanni Timpano, the story explores the exotic world of Drakulon, the pressures that cause Vampirella to leave, and her first days on Earth, arriving on the day of the Apollo moon landing in 1969. Lost, alone, unable to speak or read our language, Vampirella makes her first friends (Pantha, Pendragon) and runs afoul of new enemies in this multifaceted period piece that revisits the world of the original 1970s Warren stories!

Discovering to her horror that her journey to Earth was actually a one-way trip, Vampirella grapples with depression and intense loneliness as she starts to build a new life and new community at the turbulent close of an unforgettable decade! Grab your go-go boots and Afro Sheen and join us for this most unusual expansion of a classic era!

COMICS VIRTUOSO CHRISTOPHER PRIEST TAKES READERS BACK TO VAMPIRELLA'S BEGINNINGS

We wager most any Vampirella fan is going to be all over this series based on the subtitle, but can you clarify the premise here? We hear this is not just the obvious label, but it also follows on what you've been building in your Vampirella saga to date.

Forrest J Ackerman, assisted by many other great writers at Warren Publishing and Harris Publications, created a rich character with a great many unexplored implications about her background and origins. To the best of my knowledge, ours was the first Vampirella series to explore Vampi's early days on Earth (in our "Interstellar" prologue, Vampirella #17), where we find her wandering alone the streets of a very dangerous 1970's New York City, with no home, no money, and unable to speak the language. Vampirella: Year One will begin to explore the many un-

told tales available to us both on Drakulon and after her journey to Earth. There's an enormous amount of unexplored territory, and I wish we had more issues to develop this!

The "Year One" moniker is one of the classic hallmarks of superhero comic books, as well as one you've dabbled in yourself in the past, explicitly or not, in titles like Green Lantern: Emerald Dawn and the Ray. What drew you to dig deeper into the Daughter of Drakulon's origins?

Well, last year artist Ergün Gündüz and I produced a story we called "Interstellar," which featured Vampirella's return to her home world of Drakulon. I was so impressed by Ergün's imagination, unchained from our "real" world take on the character, that I immediately regretted not having explored this direction, with all of its the "Fifth-Element-meets-Jean 'Mœbius'-Giraud" accretions, sooner.

"How the hero(ine) came to be" is the classic tale, a narrative few franchises can escape. If you notice, most superhero film franchises do an amazing job telling that story, only to stumble in their sophomore outing which omits the origin narrative. The second story is much harder to tell.

The first stab at the origin was in Vampi's very first appearance by Ackerman and artist Tom Sutton, but it amounted to barely a handful of pages. It got overhauled a bit in the 1972 annual and went through some major switcheroos in the Harris era. With more space to explore some of those early elements, what are you looking to particularly focus on or any wrinkles you're adding?

The neat thing about most modern takes on superheroes in theatrical and streaming releases is how they trade on nuance, shining a light on the smaller and often overlooked things and the logistics of how these fantastical characters might function in our "real" world. I have always approached the comics medium with respect and with an eye toward realism, frequently asking myself, "What would this series be like if it were streaming on Netflix?" Our readers and the larger mass market audience is a lot more sophisticated than it was in the 80's, by which I don't necessarily mean older (although that's true as well), but that readers want more and better out of stories these days and also seem willing to invest themselves a bit more in parsing the denser and more complex turns of, for example, the BBC's *Sherlock* or Marvel Studios' *Avengers Endgame*.

Vampirella's classic origin tale makes fairly little sense and has Vampi murdering most of a human flight crew and then piloting an Earth spaceship across the galaxy. Neither action could fly in today's publishing environment (for one thing, it's 50 years later and Earth still does not have a spaceship capable of interplanetary, let alone interstellar, travel), so we had to reimagine how this character and her legacy might best function for today's audiences.

Artist Ergün Gündüz was with you three crazy years ago to kick off this rollercoaster ride of revamping, exploring, and expanding Vampirella's character and world. Now he's back for Year One, along with Giovanni Timpano on the framing sequences. How important was it for Ergün to jump back in? And how happy have you been with the diverse, talented artists you've been working with across nearly 50 issues in the Vampirella mythos?

We've had an embarrassment of riches in terms of art talent on this book, beginning — and perhaps ending — with our friend Ergün. His work inspires and

encourages me to take chances and imagine the unimaginable, asking for things I can barely conceptualize just to see what Ergün will come up with. Ergün's sense of color is simply amazing. His pages look like animation cells, and I've often thought of how wonderful a Vampirella animated series or movie would look if they based it on Ergün's art style and design. His Vampirella 50th Anniversary run has been among the most unique ever done. I'm so grateful and blessed to be working with him.

Giovanni Timpano was a real blessing way back in our early days where he stepped in for two issues to help Ergün's scheduling, providing a classic Vampi adventure full of creepiness and broad humor. Gio cleared both bars, effortlessly shifting from comedy to shocking horror, and has also stepped in subsequently to detail elements of Vampirella's mother, Lilith's, origin and history. I could explain why Gio is drawing key pages of Year One but then I'd have to kill you (Gio's pages tie in directly to the conclusion of Vampirella/Dracula: Unholy and bridge to our 2023 series).

I've been incredibly impressed with the pages coming in. We're all having a real blast with this, the next chapter of our journey with Vampirella, which bridges our darker Unholy chapter and sets the stage for what is to come (which you will understand once you dive in to Y2)!

For the first time ever, the “heavyweights of gross” have combined forces in a massive merchandising blitz that pits the Madballs against the Garbage Pail Kids—winner take all! As part of this blitz, Dynamite presents the comic book crossover of these iconic 1980s brands!

For over three decades, Madballs and GPK have both been known as the “grossest of the gross,” co-ruling counterculture with their pun-heavy names and subversive humor. This all-new limited series event presents the first time these two delightfully crude forces have ever crossed paths!

Written by Sholly Fisch, each issue features three incredible covers by legendary Garbage Pail Kids artist Joe Simko, series artist Jason Crosby, and a special trading card team-up cover created specially for this momentous meeting of the (depraved) minds!

As the original “gross out” brand of the 1980s, Topps released its Garbage Pail Kids series of trading cards in 1985, featuring hilariously revolting characters with appropriately irreverent names. Fifteen different card series were produced over the next three years, in addition to a Garbage Pail Kids animated series and a full slate of globally-licensed consumer products, with ongoing product lines that continues to the present day. For its part, Madballs launched its irregularly shaped toy foam balls in 1986, featuring its own proprietary and often-socially inappropriate characters with ghastly faces, grotesque names, and disruptively funny attitudes to match. Madballs went on to sell tens of millions of toys, inspire a series of animated specials, and launch an extensive consumer products program that included comic books, softlines, video games, collectibles, seasonal items, and back-to-school products.

Writer Sholly Fisch's credits run the gamut from *Superman* to *Star Wars* to *Scooby-Doo*, and from Clive Barker's *Hellraiser* to *Looney Tunes*. His comics for kids have won a *Comics Buyer's Guide* Fan Award, and been nominated for an *Eisner Award* and two *Diamond Gem Awards*, while several of his stories for older readers were included in the #1 *New York Times* bestselling graphic novel collections of *Action Comics*.

WRITER SHOLLY FISCH AND ARTIST JASON CROSBY GET GROSS!

So first, who do you guys have your money on in this showdown?

Fisch: Well, as the guy who wrote the series and knows what happens, it'd be cheating for me to bet on who wins. Let's just say that, no matter which side you're on, you'll find stuff to make you laugh. And, if you're not careful, you may get splattered with slime or toxic waste, too.

Crosby: Each side will think they've won since both will end up being splattered, covered and smothered with toxic waste and snot.

What attachment or memories do you have with these two classic franchises?

Did you collect them at all as kids yourself?

Crosby: Both GPK and Madballs debuted when I was a kid. I actually still have two shoe boxes full of my GPKs from the 80s and actively collect them to this day. I even have my two kids (five and eight years old) collecting them. I'd never thought I'd be drawing the same characters now as I did 35-plus years ago! (Whew...I'm old!) For the last five years or so, I've provided sketch cards to Topps for their GPK packs. I never bought Madballs back then but had cousins who did, so I'm also familiar with that gang of misfits and monsters as well.

Fisch: I remember when both of them debuted, but I was already a grown-up comics writer at the time, so I have memories of them from the other side. I first heard about Madballs when my then-roommate, Sandy Hausler, wrote an article about the first Madballs comic book series for

Marvel Age Magazine when it was about to be published by Marvel Comics. So I got a sneak peek before most people did. In fact, a few months ago, when I told Sandy I was going to be writing Madballs/GPK, he dug out his old copy of the first issue of the Marvel series.

As for the Garbage Pail Kids, my friend Jim Salicrup was editor in chief at Topps Comics when Topps issued the first series of Garbage Pail Kids cards. Jim proudly presented me with a full box of the cards, which I still have, all these years later.

Sholly, you're known for working on all kinds of diverse properties like Superman, Star Wars, Scooby-Doo, Looney Tunes, and more. What drew you to channeling these two wild worlds?

Fisch: They asked me! (Laughs)

Really, I've always been a big fan of off-beat, creepy humor, like The Addams Family, Ghostbusters, that sort of thing. So when editor Joe Rybandt and I started emailing back and forth about the series, I asked if I could write it in that sort of style: weird, a little creepy, and just completely over-the-top goofy fun. When you've got the likes of Skull Face, Scary Carrie, and Adam Bomb in your cast, it's a natural fit. Add in a couple of twisted puzzles in each issue, like dumpster diving with Stinky Stan or helping Slobulus find rhymes for "drool," and we were off and running!

In-story, what has led to this historic first crossover between the Garbage Pail Kids and Madballs?

Fisch: In the series, the Madballs and Garbage Pail Kids are neighbors who are constantly trying to outdo and out-weird each other. The Garbage Pail Kids are con-

vinced that the Madballs are always copying them, while the Madballs think the Garbage Pail Kids are just trying to "keep up with the Madballs."

Over the course of the series, their friendly — and sometimes not so friendly — rivalry explodes across everything from block parties to extreme sports to (literally) monster rock bands. It just keeps getting bigger and bigger, until it peaks in the final issue when...oh, but that would be telling.

Jason, obviously both the Garbage Pail Kids and Madballs are known for their unique and "gross" designs and sensibilities. As an artist, how are you going about tapping into that energy?

Crosby: I try to have my work full of energy, movement, and splattered goop so honestly, drawing these two franchises are right up my alley. Both GPK and Madballs lend themselves perfectly to this from Adam Bomb's exploding head to Slobulus' drool. My work isn't subtle, and I hope it explodes off the page...and with GPK and Madballs, there's probably literal explosions.

Readers and collectors surely have their existing favorites from both lines. Which ones have you had the most fun drawing in this series?

Crosby: I've drawn GPK many times over the years working on Topps sketch cards, to getting to design and illustrate my own six-card pack, or the recent Mars Attacks/GPK crossover set. I'll always love GPK since they've been a big part of my life. But I think I've had more fun drawing Madballs since I'm not as familiar with them. I put in tons of research studying the stitching of Screamin' Meemie, Slobulus' oozy mouth, and the frayed wrappings of Skull Face!

When an archaeological dig unveils an important element from the world of the Army of Darkness, it ends up in the absolute worst hands of all: Dr. Herbert West's. As West tinkers in God's domain, our reluctant hero is once more drawn into the sphere of destiny as he faces a triple threat of danger!

Writer Erik Burnham is joined by returning Dynamite artist Eman Casallas to bring you all the excitement and Deadite action! Joining Dynamite superstar cover artists Arthur "Zombie King" Suydam and Stuart (Kiss) Sayger is Tony (Stray Dogs) Fleecs and the Dynamite debut of Christopher (Hellboy) Mitten!

Erik Burnham is a Minnesotan writer and artist who first broke into comics by way of the Nick Landime feature from Shooting Star Comics. This led first to other anthologies and then work for IDW Publishing, up to and including his critically acclaimed work on the Ghostbusters line of comic books and, later, the official Tobin's Spirit Guide. Erik's been fortunate to work with many companies in the last few years, including Cryptozoic, Dynamite, IDW, Insight Editions, Marvel, and Panini on properties such as Ghostbusters, Teenage Mutant Ninja Turtles, Back to the Future, Galaxy Quest, Scarlet Spider, New Warriors, Red Sonja and KISS — with more on the way. (Which is good news, because he loves his work.)

WRITER ERIK BURNHAM INTRODUCES THE ULTIMATE '80s HORROR CROSSOVER!

Erik, you're known in part for your celebrated contributions to classic franchises like *Ghostbusters*, *Teenage Mutant Ninja Turtles*, *KISS*, and more. Now that you're smashing two of them together, what do you think makes you such a great match for these kinds of stories?

I'd like to think it's an ability to connect to a franchise that people like, but I'm a little afraid that it's more because I watched too much TV growing up than any special skill! Seriously though, I have lots of fun doing these, and I believe that sense of fun is picked up on. (Who wouldn't enjoy playing with all the toys?)

What kind of history or memories do you have with Ashley Williams and Herbert West as a fan yourself?

I always love a good mix of humor and horror, and that's Ash to a tee. No matter the medium, we have a hero who doesn't want to face the forces of evil, but when push comes to shove, not only will he triumph, but he'll do it with plenty of snark—and I absolutely love that. As far as West, I just love how much of an opposite number he is to Ash on the surface; he's a seeker of knowledge who will follow whatever path he's on right into the shadows. Very complementary.

These two chaotic characters have tangled before, going back over 15 years to some of Dynamite's earliest comics. Did you look to any of those other tales for inspiration or connection?

I immediately went back and read the first crossover! And it was for inspiration—I wanted to do

something different than what had been done before, and I think I found a way. Some beats will be the same (both characters being after the Necronomicon for different reasons) but I think we cover some new ground.

Following those past meetings, what has drawn Ash and Dr. West together this time in the new Necronomicon Rising series?

By strange coincidence, it's the Necronomicon! Dr. West is talked into retrieving the book by...let's call them an interested party. At the same time, Ash is approached by someone with another line about him being the chosen one and his time to stop a great evil is approaching. Ash being Ash, he's not interested in helping until he's given no other choice...

...And all that's before we get to a ruined future.

How has it been working with artist Eman Casallo so far, as you and the rest of the creative team work together to rise this story from the grave — or from your scripts?

I'm so pleased to be working with Eman again—we got to work together with Amy Chu on a KISS miniseries, and I loved the crispness of his art. He was good then, and he's only gotten better. First thing I saw was some Herbert West designs, and they made me laugh with glee imagining where he might go with some of the weirder elements of the story! It's all going to look so cool filtered through his style.

Never before offered to the Direct Market, this special new edition features a cover by Amanda Conner! Vampirella is charged with the destruction of all vampires on Earth by her demon mother, Lilith. This feral femme loves her work — because she doesn't just kill vampires, she feeds on them! Vampirella is a force of nature to be reckoned with... but so are her enemies, and their endgame is undead domination, where the apex predators rule instead of skulking in the shadows, and humans are cattle to be processed, bred, and fed upon!

Welcome to the spine-tingling world of ReAnimator: a table top game of horror and mad science. You and your friends take on the role of assistants to the mad genius Herbert West. Travelling around the ill-begotten town of Arkham, Massachusetts, you will gather musty Tomes, mysterious Ingredients, and even Cadavers of the recently deceased for your dark work.

Up to four players will work together taking on the role of the narrator from Lovecraft's original story in order to perfect the protagonist's experimental reanimation formula. Classic characters including Herbert West, the City Watch, and the Undead wander through Arkham to help or hinder the players as they undertake their profane task. Subplots will develop through gameplay, forcing players to respond to new adventures and challenges only the world of the ReAnimator can provide! An incredible 3-D playset that makes up the cursed town of Arkham will be the site of your greatest triumph or where you slip slowly into madness!

ELVIRA MEETS VINCENT PRICE

TRADE PAPERBACK

FC | 136 pages | Horror / Humor | \$19.99 | Teen+ | 7/13

writer: David Avallone

artist: Juan Samu

cover: John Royle

Two titans of horror and comedy unite in comics for the very first time! Dynamite Entertainment Proudly Presents...Elvira Meets Vincent Price!

Elvira is back, with her most historic and greatest costar ever! The ghost of Vincent Price is a spirit with a mission, and only the Mistress of the Dark can help! The apocalypse is coming, and it's going to be live-streamed for binge-watching, but a long-lost movie can save the world...if only the movie star specter and the horror hostess with the mostest can find it in time! Thrills, chills, and all sorts of terrible puns!

Collects Elvira Meets Vincent Price #1 - 5, plus a complete gallery of covers!

"David Avallone has expertly captured the cadence and intonation of the real life characters he inserts into his stories to the degree that one cannot help but hear the inimitable inflections of Vincent Price with every word balloon the character utters." — Critical Blast

"The art is great, the jokes are better, and I had a devil of a good time reading this comic" — Comical Opinions

NYX VOL. 1: DADDY'S GIRL

TRADE PAPERBACK

FC | 136 pages | Horror | \$19.99 | Teen+ | 7/13

writers: Christos Gage

artist: Marc Borstel

cover: Lucio Parrillo

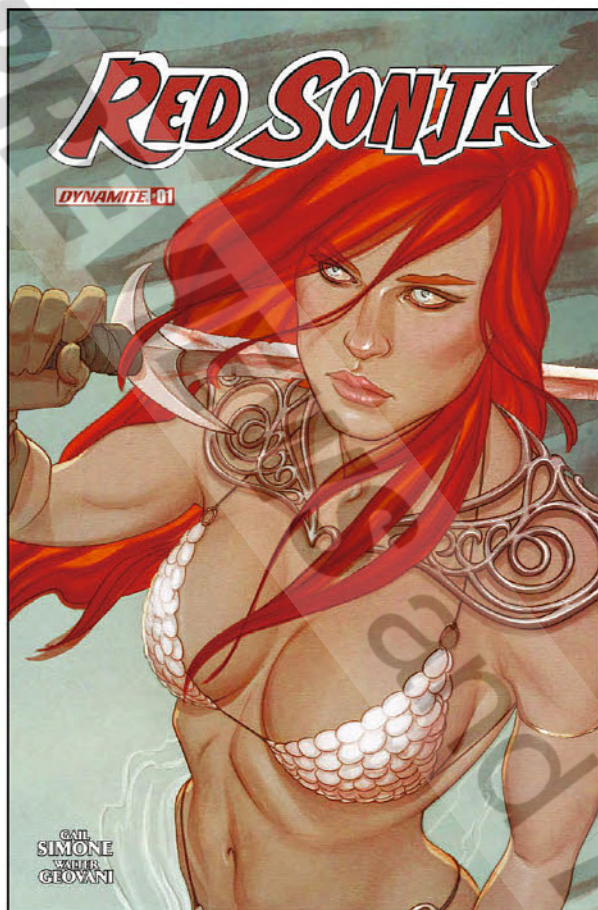

From the pages of Vampirella and Sacred Six comes Nyx, daughter of a human and the mad god Chaos himself! Nyx's mortal side has been growing stronger, troubling her with all-too human emotions. Fortunately (for her), there's still the side of her that transforms into a demon of living flame...and requires her to feed on the life force of living beings to survive.

Can a half-demon find her place in our world...happiness...even love? Probably not, as she's about to get dragged into her dad's workplace problem.

Collects Nyx #1 - 5, plus a complete gallery of covers!

"A fantastic jumping-on point to get to know the half-human/half-demon with a cursed hunger for life energy. Gage paints a surprisingly nuanced and complex version of the character that tells you everything you want to know about her origins and motivations" — Comical Opinions

GAIL SIMONE RED SONJA #1 FACSIMILE EDITION

FC | 32 pages | Sword & Sorcery | \$3.99 | Teen+ | 7/6

writer: Gail Simone
artist: Walter Geovani
cover: Jenny Frison

In 2013, acclaimed writer Gail Simone teamed up with artist Walter Geovani (Prophecy, Witchblade) to give Red Sonja a fresh new attitude! This blockbuster debut issue is back in a new facsimile edition, as Red Sonja pays back a blood debt owed to the one man who has gained her respect, even if it means leading a doomed army to their certain deaths! An epic tale of blood, lust, and vengeance begins here!

VENGEANCE OF VAMPIRELLA VOL. 4: AFTER THE FALL TRADE PAPERBACK

FC | 160 pages | Sword & Sorcery | \$19.99 | Teen+ | 7/27

writer: Tom Sniegowski **artist:** Kewber Baal
cover: Lucio Parrillo

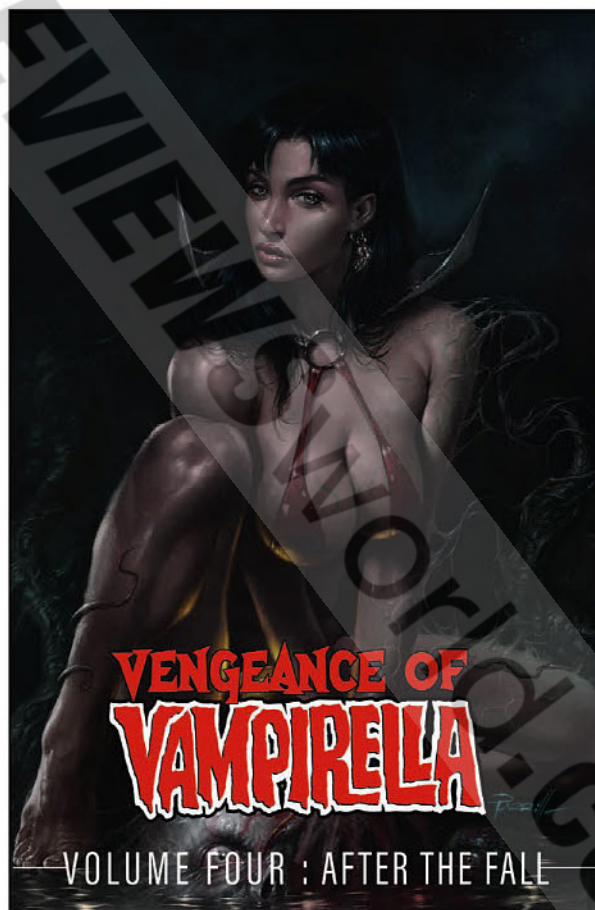

Writer Tom Sniegowski continues to weave a post-apocalyptic tale featuring a literal hell on earth as a reborn vampirella fights against the literal forces of chaos to save humanity from its ultimate destruction!

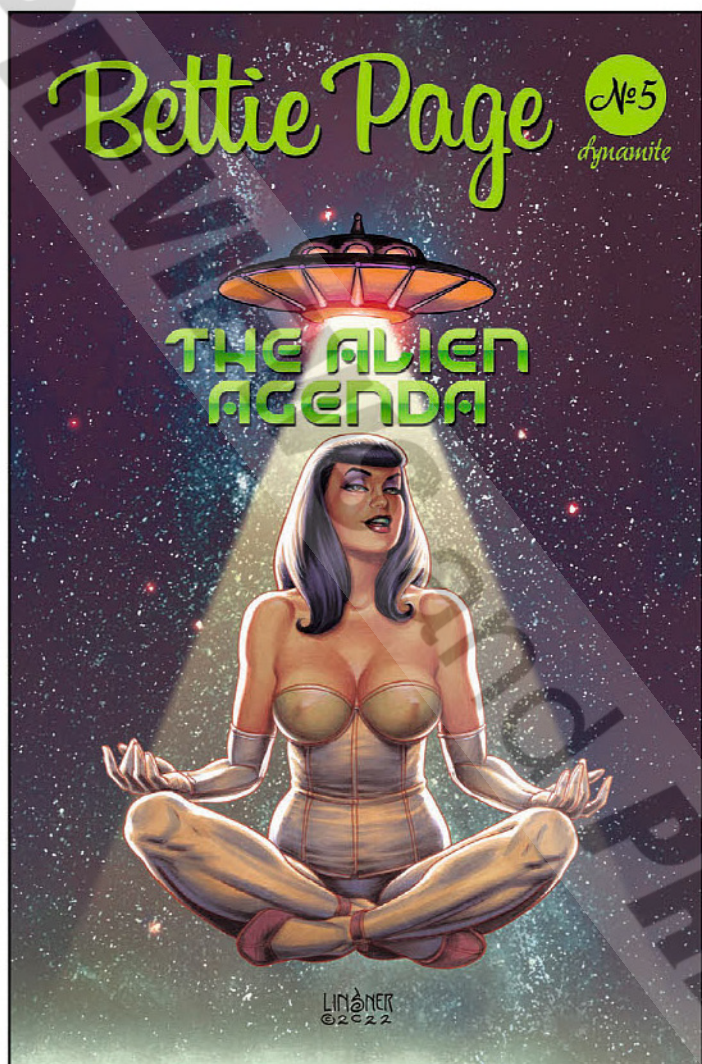

The war between Order and Chaos has come to an end, and as the dust settles, humanity begins the process of rising from the ashes. Vampirella, forever changed, must begin a journey across the barren landscape of a world ravaged by the supernatural...But is it too late for her to regain her lost humanity?

Collects issues #20 - 25 along with a complete cover gallery!

"Continues to be my favorite of the Vampirella titles out there these days" — The Fandom Post

"A satisfying conclusion...that ties up all the loose ends and establishes a new status quo for the titular character and a shakeup for the city and all supporting characters" — Comical Opinions

An enigmatic faerie named after an ancient Greek poet has twisted the multi-verse, exchanging the fates of Draculina and her alternate reality "self" Katie, and forcing Draculina to experience a vulnerable humanity, with all its emotional consequences, for the first time in her long, immortal life. Meanwhile, Katie has gained everything she has ever wished for — like all the powers of a full vampiri, including the bloodlust! But the reality of having supernatural power quickly crushes her childhood fantasy as, ravenous for blood, Katie's innocence hangs in the balance!

She's faced down a lot of threats in her day, but will a combination of corporate malfeasance and strange new jungle worlds prove to be our hero's ultimate downfall? Has the Queen of the Jungle finally met her match?

Artist Jethro Morales continues to illustrate the adventures of Sheena, with returning cover artists Lucio Parrillo, Arthur Suydam, Joseph Michael Linsner and stunning new cosplayer Jackie Goehner round out the most thrilling adventure comic on the racks!

"The art here is terrific and beautiful. There is a visual distinction of the concrete jungle and the actual jungle. The two places look different while using the same art style. That boils down to detail. The glass in the buildings look real just as the leaves on the trees are equally defined." — Comic-Watch.com

It's been 15 years since the death of Mistress Nyx, and the world is slowly recovering — but this isn't a world we've ever seen before. This is a world where the natural and the supernatural have merged to create a dangerous new place — a world very much in need of Vampirella.

In the city of Sepulcher, a delicate balance exists between humanity and the monstrous. It's a balance maintained by Vampirella and the agents of the Danse Macabre. But something has been unleashed in the city: living weapons birthed in the deepest regions of Hell. They're weapons so deadly they threaten all life within the great city's walls...and possibly the world beyond it.

Enter the world of Vampirella Strikes, from the superstar team of writer Tom Sniegoski and artist Jonathan Lau, with a series of amazing covers by returning artists Lucio Parrillo, Stephen Segovia, Junggeun Yoon, and Ben Caldwell, plus a stunning cosplay cover featuring Ireland Reid as Vampirella!

"Writer Xavier Dorison and artist Felix Delep have crafted a powerful and different look and direction for this Orwell inspired book." —GEEKVIBESNATION.COM

"It's worth mentioning that perhaps the most striking thing about this comic is its timing. With real life headlines telling us of Putin's unjust war against Ukraine and the bravery of average Ukrainian citizens as they fight back against Russia's presidential dictator, what better time could there be for a comic like Animal Castle?" —FRANKIESCOMICS.COM

"Animal Castle is an astoundingly well-illustrated story of survival in a brutally run animal kingdom. Picture the animated film 'Chicken Run', but without the laughs and antics. It's chilling and incredibly breathtaking to read. And recommended." —FANBOYFACTOR.COM

On the Farm all animals were equal.
In the Castle some are more equal than others.

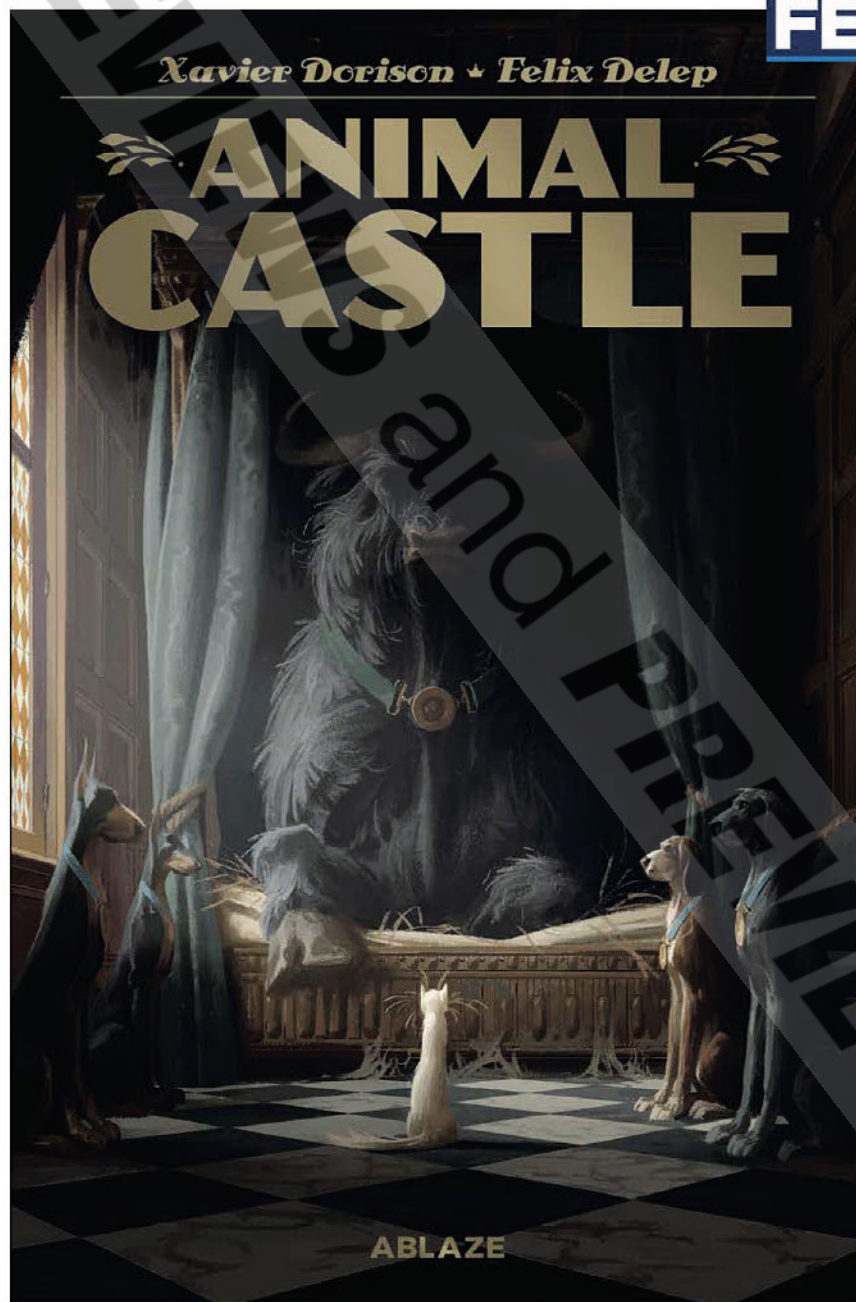

For fans of the bestselling *Stray Dogs* and the Eisner Award winning *Beasts of Burden* comes an animal fable at once familiar and surprising! You may think you know the story, but set aside your assumptions. This animal uprising is unlike any you have read!

Nestled in the heart of a farm forgotten by men, the Animal Castle is ruled with an iron hoof by President Silvio. The bull and its dog militia savor their power, while the other animals are exhausted by work, until the arrival of the mysterious Azelar, a traveling rat who will teach them the secrets of civil disobedience.

Collecting issues 1-5 of the bestselling comic series into a handsome hardcover volume, with complete cover gallery.

Chun-Woo Han, aka Goo Moon Ryong, aka Nine-Door Dragon, must rescue his student Si-Woon from the martial arts alliance, and the only way to do so is to put his own life on the line! Taking a page from the book of his own master, Chun-Woo starts down a dangerous path for his disciple's sake.

Hoping to finally bring an end to his long-lasting misfortunes, the Goo Moon Ryong willingly jumps into a trap, leading to what could be his final battle against the skilled fighters of the alliance. And while the big clash between the showy techniques of the martial arts schools and the immovable will of the Nine-Door Dragon will make alliance fighters fall like autumn leaves, Chun-Woo may not have what it takes to get past the most elite fighters of the Murim worlds and save Si-Woon!

CEREBUS IN HELL? PRESENTS: THE UNCRUCIFIABLE CEREBUS GAY BAR ONE SHOT

(W) Dave Sim

(A) Gustave Dore & Various

(CA) Sean Michael Robinson & Various
The coined adjective "Uncrucifiable" provokes an "inside Aardvark-Vanaheim" debate on the inside front cover. Fortunately, we're all well past finding anything controversial with anyone going to a gay bar. Right? Right. Cerebus is being a total dick on the cover, but then when *isn't* Cerebus being a total dick? On the cover, inside the book, at a gay bar, pretty much everywhere. After page one, it's (SPOILER ALERT) a "Move along nothing to see here" thing as we get to the more important issue: JOBS. Can Cerebus get one? Evidently. Can Cerebus HOLD ONTO a job? Well, that's another question! (STL231164) (C: 0-1-2)

PULP POWER: THE ART OF THE STREET & SMITH UNIVERSE

(W) Neil McGinness, Dan DiDio

Pulp Power gives fans a rare glimpse into the pre-war pulp novel decade of the 1930s, a period of bold action and adventure storytelling that ultimately led to the creation of the comic book and the superheroes we know and love today. In more than 500 novels written between 1930 and 1940, *The Shadow*, *Doc Savage*, and the *Street & Smith* universe of characters captivated a generation of Americans with their heroic exploits and inspired a new generation of writers to create a pantheon of comic book superheroes in their mold. In *Pulp Power*, hundreds of these eye-catching covers are reproduced as a collection for the first time. Comics legend Dan DiDio provides context for the cover illustrations alongside a narrative discussion of the influence of the *Street & Smith* superhero universe on legendary creators such as Orson Welles, Truman Capote, Michael Chabon, George Lucas, Agnes Moorehead, James Patterson, Walter Mosley, Dwayne Johnson, Frank Miller, James Bama, Jim Steranko, Jim Lee, Gail Simone, and many more. ALEX ROSS TAKES THE FANTASTIC FOUR FULL CIRCLE

Interview by Troy-Jeffrey Allen

There's no denying the power of a certain image and its ability to transport readers to another realm. Jack Kirby, along with Marvel front man / idea man Stan Lee, transported readers to worlds both alien and commonplace for over 100 issues of their "World's Greatest Comics Magazine," *Fantastic Four*. This July, Abrams ComicArts and **PREVIEWS** will present a **PREVIEWS EXCLUSIVE** graphic novel by the legendary Alex Ross, who has, in past endeavors, captured the heart, soul and spirit of those who came before him in exciting new projects expanding upon and paying tribute to classic characters and scenarios... particularly those of the early Marvel Comics. *Fantastic Four: Full Circle* is a fully painted adventure set within the strange "Negative Zone," home of the interdimensional warlord Annihilus and countless other threats to our reality. Ross has brought the Negative Zone to life as Kirby himself depicted it... replicating his famous collage style in page-after-Kirby Krackle-infused page. *PreviewsWorlds'* own Troy-Jeffrey Allen spoke with Ross, who took time out of his busy schedule to talk about this exciting exclusive project...

Troy-Jeffrey Allen: When did you first discover the *Fantastic Four*?

Alex Ross: I most likely learned of the *Fantastic Four* when I was about four or five years old. My first comic of them was either the Power Records reprint of John Buscema's origin retelling, or it was 1975's *Fantastic Four* #163 with Rich Buckler art.

TJA: How did *Full Circle* come about as a project? Did you approach Marvel or did Marvel approach you?

Ross: It was kind of a little bit of both. I had originally pitched the *Fantastic Four* editor a "new look" approach for the team, back before the book was announced to resume publishing. My proposal to be the one who guided the team in that return lost out then, but I was later approached to see if I wanted to create anything special for the 60th anniversary. It took a long period of negotiations about what that could be and an additional book publisher to be brought in to make the graphic novel I completed during the anniversary year.

TJA: The book revisits a classic Kirby-Lee story from the 1960s. What is that story and why did you want to revisit it?

Ross: The book actually recalls a couple of the most famous stories from the original '60s run. The widely considered prime example of the Lee-Kirby magic was in *Fantastic Four* #51, with the introduction of the Negative Zone and the Thing's form-stealing doppelgänger in his only appearance. The second famous issue I revisited is *Fantastic Four Annual* #6, with the team's major foray into the Negative Zone, when Annihilus is introduced and Reed and Sue's son, Franklin Richards, is born at the end of the issue. I wanted to reconnect with the question of what happened to that doppelgänger, who we assumed to have died in the Negative Zone, and to also explore in more depth some of the territory Jack Kirby laid out there.

TJA: What medium/tools did you use to make *Full Circle*?

Ross: The driving ambition I had to make a *Fantastic Four* comic was to put my skills to the test as a traditional comic book artist, with pure line work and flat coloring. I did my work mostly as I usually do, with gouache/watercolor paint used as black instead of ink and a dry brush detail shading approach instead of the halftone I would normally create in painting. Other than a use of pens for straight lines and background details, I rendered with a brush.

TJA: What was the challenge when putting together the book?

Ross: I was not sure how well my work in pure light and shadow would mesh with flat color, so I did a number of tests to be sure. I wouldn't control the final color application like I usually would, but I did exact color guides for every page, with every color hold effect painted in so my graphic designer/collaborator, Josh Johnson, could implement those final colors digitally and create a subtle dot screen effect, which I could not paint.

TJA: What do you think is the lasting appeal of the *Fantastic Four*?

Ross: The *Fantastic Four* is the very reason Marvel changed (and possibly saved) comics as we know them. The book was Ground Zero for every creative innovation that Stan Lee and Jack Kirby gave to build the Marvel Universe and what is still the modern way of storytelling. The team itself was the

unique balance of relatable and "real" personalities with distinctive behaviors and dramatic conflict.

TJA: What do you hope a new generation of Marvel fans will take away from *Full Circle*?

Ross: I want the contemporary readers as well as the moviemakers in Hollywood to see a representation of the original team with their intended design intact. I am trying my best to translate Jack Kirby's art in a way that looks consistent to what was laid out sixty years ago, which guided most artists' interpretations since and can be reconnected to even when you're casting real human beings in those parts.

THE BEST WE COULD DO: AN ILLUSTRATED MEMOIR SC (NEW PRINTING)

(W/A/CA) Thi Bui

Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Thi Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent — the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. (STL229799) (C: 0-1-0)

JOSEPH SMITH AND THE MORMONS GN

(W/A/CA) Noah Van Sciver

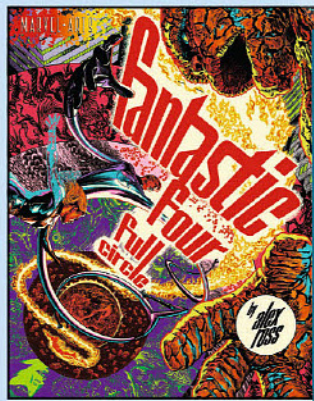

In *Joseph Smith and the Mormons*, author and illustrator Noah Van Sciver, who was raised a Mormon, covers one of history's most controversial figures, Joseph Smith—who founded a religion which is practiced by millions all over the world. The book discusses all of the monumental moments during Smith's life, including the anti-Mormon threats and violence which caused his followers to move from New York to Ohio, Smith's receiving the divine commandment of plural marriage, his imprisonment, his announcement to run for president of the United States, and his ultimate murder by an angry mob in 1844 at the young age of 38. With a respectful and historical approach, and strikingly illustrated, this graphic novel is perfect for those curious about the origins of the Mormon faith and the man who started it all. AFTER THE RAIN GN

(W) Nnedi Okorafor

(A) David Brame, John Jennings
After the Rain is an adaptation of Nnedi Okorafor's short story, "On the Road." The adaptation, written by John Jennings and illustrated by David Brame, begins in Nigeria during a powerful and unexpected storm. While visiting her grandmother, a young Nigerian-American woman named Chioma answers a knock at the door and is horrified by what she sees—a young boy with a severe head wound is standing on the doorstep. When he touches Chioma, his hand burns like fire and just as suddenly as he arrived, he disappears. Her grandmother comes down to see what is wrong and chastises Chioma for opening the door for a stranger. Outside there are only footprints in the mud which vanish in the same manner as their owner. Chioma knows that something is wrong, and that the boy has "marked" her in some way. Haunted and hunted, Chioma must embrace her heritage in order to survive. FEATURED ITEM

It is 1928. Veteran of the Great War and part-time private eye Guy Horn travels to a remote community in Western Canada to retrieve his estranged brother from the clutches of a dangerous cult. As Guy struggles to gain control of his own personal demons, he's tantalized by the cause and its charismatic leader, Brother XII.

A tightly plotted horror-mystery **based on a true story** wherein writer Zac Thompson (I BREATHED A BODY, UNDONE BY BLOOD, Ka-Zar) joins forces with artist Eoin Marron (KILLER GROOVE) for a new miniseries that blends the unexpected twists of hard-boiled detective noir with the uncanny traditions of folk-horror.

Fifteen-year-old Patrick Todd lives on the run, hiding out in seedy motels, living out of his backpack and making sure that his mom – recently struck down by a mysterious illness of the mind – is well cared for. But doctors cost money. A lot of money. And, so, Patrick turns to a life of crime. Using the telepathic abilities he's been hiding all his life, he forces the worst of the worst to rob banks, taking the money before making them turn themselves in to the police.

But someone has taken notice of Patrick's schemes. A reckoning is coming. Will the police find Patrick in time to save him, or will he become yet another victim of the killer called Zeus?

Written by Ed Brisson (BEYOND THE BREACH, *Uncanny X-Men*, *Old Man Logan*) and illustrated by Gavin Guidry (*Captain America: The Ghost Army*, *Going to the Chapel*), THERE'S SOMETHING WRONG WITH PATRICK TODD weaves a web of intrigue, deceit and hot pursuit as danger closes in from all directions.

Inter-dimensional astronaut Douglas Spitzer has overshot his destination, and he's now in a world that is both familiar and different. In his home world, a cellular cancer has destroyed 90% of the planet and the people along with it. But this new, parallel world cured it. And while the green sky and clean air is enough to deal with, there's another reason Douglas is hesitant to complete his mission...love.

Meanwhile, mission control has to deal with the fallout from another failed launch and the rapidly encroaching cancer outside, all while trying to aid Douglas – who's the only hope to save their dying world.

Frank Babbs is not a man to scare easily. But now he's very scared. Everything he's built, the lies he's constructed his life upon, might soon be blown away. See, back in the swinging sixties Frank poisoned three of his best friends, certain that one of them had killed his lover. Making things more complicated, the whole business was witnessed by a stripper who is now Frank's wife. Forty-odd years later, three long-dead gangsters have risen from the grave to seek revenge – and all Frank's money and knighthood won't save him.

This volume is on sale in **AUGUST 2022**.

The near future. Politicians invent their own facts, and independent newspapers no longer exist. The very concept of truth has died. In this world, private detectives serve as ronin, searching out the hard truths that people are desperate to keep hidden.

The best of these PIs is Satya, a former journalist turned gumshoe who runs every lead to ground. But Satya has just received her hardest case yet: her former editor has been murdered. Someone wanted him silenced, and the trail points toward the highest bastions of power. To find justice for her friend, she'll have to put everything – and everyone – she knows at risk.

Co-created by Ringo Award-nominated writer Erica Schultz (*M3*, *Forgotten Home*, *Strange Tails*) and comic writer and former newspaper crime reporter Van Jensen (*Two Dead*, *Cryptocracy*, *Superman: Man of Tomorrow*), aided and abetted by Spanish art sensation Aneke (DC Comics *Bombshells*, *Leggenderry: Red Sonja*).

This volume collects the entire series, issues #1-4.

BRION TV

Laugh-out loud funny and unapologetically offensive, but with a heart of gold, this is the comic book personification of all those wild and weird "Florida Man" news stories we've all been shocked by – and laughed at for years. Eisner award winning writer Mike Baron (Punisher, The Flash, Nexus, Star Wars) brings to life the tall tales of the most hilarious and notorious Florida native ever to be Google searched more than Kim Kardashian... Florida Man! Based on Baron's series of critically acclaimed Florida Man novels, this outrageous comic dives into the heart of many of those bizarre stories we've all seen in news headlines and funny internet memes with a heart-warming story that's squarely aimed at grown-ups who still love comics.

Mike Baron is bringing back "funny books" with this serialized comic series reprinting his crowd funded graphic novel with a few new twists. Now the quintessential "Florida Man" is finally defined in all his outrageous glory straight from the heart of one of the most magical and bizarre states in America. Follow Gary and his girlfriend Krystal as they go from rags to riches, and to riches to rags again, and laugh at the ongoing adventures of a pair of loveable losers landing in and out of jail, but always moving on to their next big scheme.

The pulse-pounding conclusion of the sequel to Edgar Rice Burroughs' original novel is here, and if you thought the jungle mayhem could not possibly get more deadly, you were wrong. All hell has broken loose on the island of Professor Maxon with the arrival of Rajah Muda Saffir and his band of headhunting tribesmen, and Townsend Harper, Jr., and Virginia Maxon are caught in the crossfire between the savage attackers and the British soldiers who have revived the horrific experiments of Professor Maxon. But how can our heroes possibly escape when prowling the jungle are the twisted human monsters created by the British, hideous creatures who hunger for the flesh of every one of the island's inhabitants? Alliances shift and secrets are revealed, and what it truly means to be human is explored in this canonical entry into the ERB mythos by writer Mike Wolfer and artist Roy Allan Martinez.

But one of them, Black Glass, became Obsidia and betrayed her sisters to the Disciples of Umex. "Water Wars" (Deivid Deon, Timothy B. Fling): Rescued by an unknown benefactor, a young woman has been changed fundamentally in order to join a battle to destroy the oppressive cyborg gang that threatens her city. "Five of One, Half a Dozen of Another!" (Dan Johnson, Dann Phillips): On a world that appears devoid of intelligent life, a crew from Earth uncover an alien threat, but something about their current situation just doesn't add up. "Robot" (Marcello Bondi, Vincenzo Micheli): The workforces' worst fears are true: Robots are coming to take their jobs!

"Fallen Justice" (Cary Kelley, Steven Forbes, Harold Edge): Justice Theta, once Earth's greatest hero, has declared war on every villain alive, and the only way to stop him is to set aside old grudges and work together! But will it be enough? "They Call Him Marvelous" (Jamaal Simpson, David Jaxon): Malcolm experiences a life-changing event, but before he can collect himself, a livid Clyde sets out to give him a life-ENDING event. "XOB" (Kyrin Silva, David Jaxon): Granted the powers of the ancient force of nature known as XOB, Tracy must stop the demon hordes of Lord Eklips from draining all humans' spiritual energy. "Nothing-Man" (John Rhodes, Laurie Foster): With Diana and Firecracker still in the hands of Supremous and his evil Hybrids, Zane realizes he needs the help of the Freedom Strike Force.

TALES OF GREAT GODDESSES: GAIA, GODDESS OF EARTH GN

(W) Imogen Greenberg
(A) Isabel Greenberg
Long before the age of the Olympian gods, Gaia created the world in all its beauty. But from Gaia also came the Titans, who ran wild and free through this world—until her husband Ouranos turned on Gaia and declared himself the ruler of all she'd created. Her son Cronus then rose to power, but soon he too became hungry for more power—so much so that he swallowed his own children. But Gaia managed to hide the youngest son, Zeus, from Cronus. Zeus grew up and defeated Cronus and saved his brothers and sisters, but Zeus was not satisfied. Gaia wanted no part in the world of Zeus. Follow the goddess of earth through her struggles with gods and mortals as she discovers her strength and eventually finds the peace she has always longed for. (STL227817) (C: 0-1-1)

G.I. JOE CLASSIFIED BOOK 1 HC

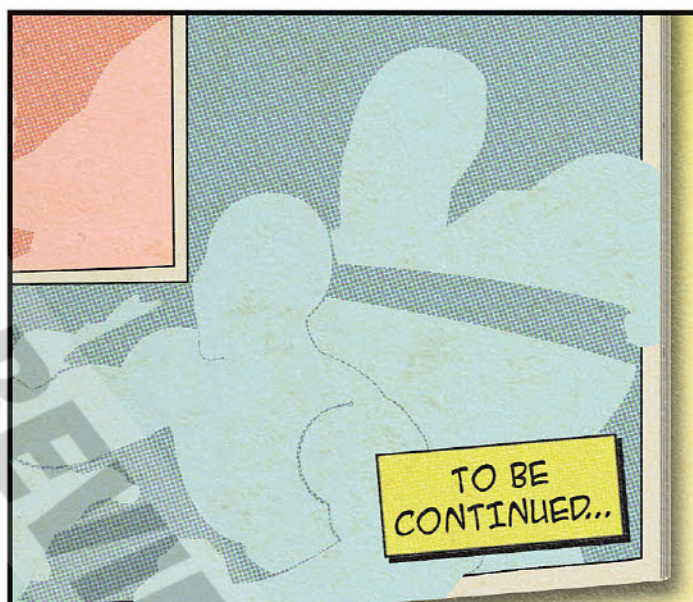

(W) Kelley Skovron
Saying goodbye to big-city life is only the first challenge Stan faces in moving to Springfield, a town that's eerily under the thumb of his mother's powerful employer. DeCobray has its hand in everything, including the Lyre XR augmented reality headsets that Stan and his fellow students at Springfield Academy are asked to beta test. At first Stan loves his headset-data on his classmates is at his fingertips, and the Lyre's custom filters make school sort of fun—but then he meets Scarlett, Ichi no Zoro-me, and Julien, and his new friends show him there's a lot more going on behind DeCobray's flashy tech. When several kids go missing at school, Stan and his friends set out to uncover the truth behind

the devices. But the further they dig, the more sinister the conspiracy at the heart of their town appears... (STL229800) (C: 0-1-1)

FATHOM: VOLUME 8

One of independent comic's longest running series forges ahead with a new destiny for the Aspen Universe!

The Blue have risen. The humans have responded. And no one is safe above or below the surface any longer! Aspen Matthews and the man who once attempted to kill her, Admiral Maylander, find themselves on the same side of humanity's fight for their survival against a growing threat by a race of beings far superior in both technology and biology—The Blue! Not since the iconic Fathom Volume One has Aspen been forced to fight her own blood in order to ensure the survival of all mankind!

The critically-acclaimed creative team of Volume 8, writer Vince Hernandez (Michael Turner's Fathom: Kiani, Charismagic), artist Mauricio Campetella (Jirni) and colorist Peter Steigerwald (Fathom, Superman/Batman, Spawn), bring you the newest action-packed volume of Michael Turner's Fathom!

In Avere's world, the usual trials of making your way into adulthood come with the added stress of Ranked, a ubiquitous and all-knowing tech innovation that awards you points for socially acceptable behavior and takes them away when you don't conform. It seems fun enough at first, but it becomes much more than a game when Avere's rank suddenly drops overnight. Now she's getting hassled at school, blocked from her favorite restaurants, and her mom is out of a job. Luckily, her bottom-ranked BFF Zoe is a perfect accomplice for what's about to be the heist of the century: a raid on the app's corporate HQ to set things right

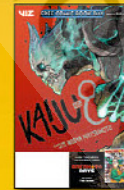

and its spokesperson, the virtual popstar Pretty Kitty! (STL175776)

**NEWTHINK #2**

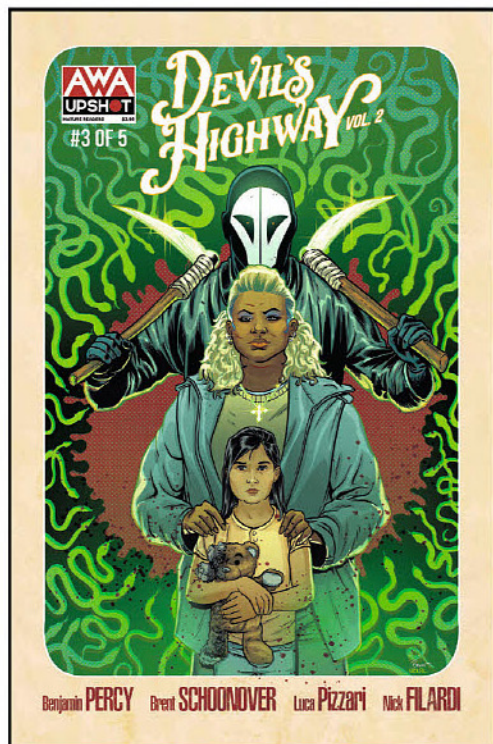

Written by **Gregg Hurwitz** Illustrated by **Ramon Rosanas** Colored by **Lee Loughridge** Cover by **Rahzzah**

This *Black Mirror*-style anthology examines the rapid proliferation of technology, the cultural and political polarization of the country, and the technocrats that have driven us to such extremes of thought that we need to present the present as something...futuristic. Each of the five issues is a stand-alone tale with its own art team. In this issue, a medieval king comes up with a novel punishment for a storyteller whose tales hit a little too close to home: a house made of glass so that every aspect of her life is put into public view.

A truck stacked with bodies is discovered along the US/Canada border, and Sharon Harrow and Quentin Skinner are on the case. Their mission: figure out how all of these corpses are connected. And when they uncover the terrifying truth, they will unearth a murder syndicate that has infiltrated the walls of the very institutions meant to protect us. Now our heroes are on the run—hunted by law enforcement and the trucking community—framed for crimes they didn't commit.

HIT ME #5

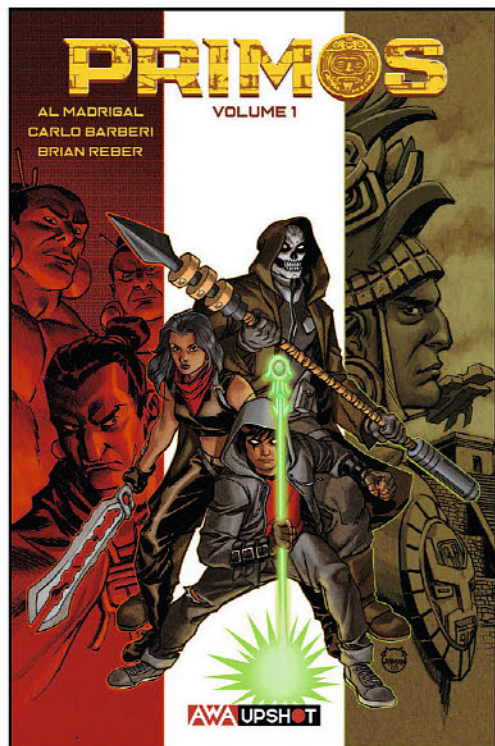

Written by **Christa Faust** Illustrated by **Priscilla Petraitis** Colored by **Marco Lesko** Cover by **Jeff Dekal**

A high-octane crime thriller from Christa Faust (*Bad Mother, Redemption*) and Priscilla Petraitis (*Chariot*). Lulu has a very unique profession. When she is witness to the execution of one of her regular clients, she escapes into the night with a briefcase filled with diamonds and a pack of killers on her trail. Navigating the dark underbelly of decaying, early-90's Atlantic City, one step ahead of her pursuers, Lulu must call upon every one of her street-born instincts and underworld connections in what will be the longest—and possibly last—night of her life. Lulu reaches the end of the line, cornered by every faction that has been in pursuit of the diamonds, in the thrilling conclusion of the series.

Written by **Al Madrigal** Illustrated by **Carlo Barberi**

Colored by **Brian Reber** Cover by **Dave Johnson**

Centuries ago, two Mayan brothers constructed a spacecraft that sent them hurtling into outer space. Returned to Earth only to find their culture and civilization destroyed, one of the brothers vows revenge and seeks to decimate the planet with intergalactic technology gathered on his travels. To prevent this, his sibling creates a contingency plan that activates the world's protectors—descendants of their own family. Now, the fate of the planet lies in the hands of three cousins scattered throughout Central and North America who have never even met.

FIRE & BLOOD: 300 YEARS BEFORE A GAME OF THRONES (A TARGARYEN HISTORY) SC

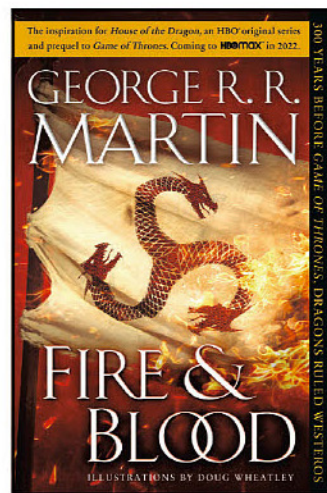

(W) George R. R. Martin

(A) Doug Wheatley

Centuries before the events of *A Game of Thrones*, House Targaryen, the only family of dragonlords to survive the Doom of Valyria, took up residence on Dragonstone. *Fire and Blood* begins their tale with the legendary Aegon the Conqueror, creator of the Iron Throne, and goes on to recount the generations of Targaryens who fought to hold that iconic seat, all the way up to the civil war that nearly tore their dynasty apart. Readers have glimpsed small parts of this narrative in such volumes as *The World of Ice & Fire*, and now, for the first time, the full tapestry of Targaryen history is revealed. Space-Lady does her job exactly as the manual advises her. At least this is what her advisers think. She uses her incredible armour, technology, qualified immunity, and paycheck to get super, super high. She deals with crime in her sector anything but fairly, using any excuse to fight someone or break something. But today, after a heavy night of drinking, Space-Lady decides to sleep in and let her homemade AI police force handle crime.

William "The Wizard" Gardener is a reclusive comic book creator and artist who has been the sole voice of the legendary *Psychadelic Knights of the 5th Dimension* for decades. But William grows old and tired, and his once-revered comic book series is now relegated to flea markets and bargain bins across the world. Years ago, William enlisted the help of up-and-coming writer/artist Kurt "The Great One" Gideon to carry on the Knights legacy, but after a short and successful run, a disillusioned Kurt turned to fame and drugs, becoming an industry pariah. After years of silence, William needs Kurt's help again...but it's not with inking or coloring. Will Kurt continue William's legacy and join the long line of dreamers and artists who have kept Vanta Black from seeping into our dimension for generations? (STL229583)

BEASTS OF THE BLOOD-STAINED JACKBOOT SC

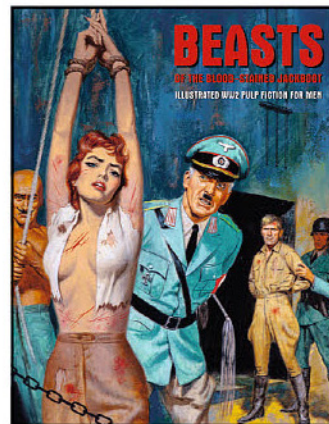

(A) Syd Shores & Various

Beasts of the Blood-Stained Jackboot is a special edition in the popular *Pulp Mayhem* series that showcases one of the most vivid strands of illustrated pulp, dedicated to tales of Nazi marauders during World War 2. The 22 stories included here portray Nazis as evil torturers and killers, whose victims were almost invariably scantily-clad, large-breasted female captives. It should be noted that rescuers, and sometimes the victims themselves, nearly always prevail against the threat of these vile monsters of war, who are never glorified but always shown as despicable and sadistic criminals. LORE OLYMPUS VOLUME 2 GN

(W/A) Rachel Smythe

An ingenious take on the Greek Pantheon, *Lore Olympus* is a modern update on the story of Hades and Persephone. Follow the propulsive love story of two Greek gods, told with lavish artwork and contemporary sensibilities. This full-color edition of Smythe's original Eisner-nominated webcomic *Lore Olympus* features a brand-new, exclusive short story, and brings Greek mythology into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 26-49 of the #1 WEBTOON comic. (STL230268) (C: 0-1-0)

STAR WARS LEGENDS: DEATH TROOPERS SC

(W) Joe Schreiber

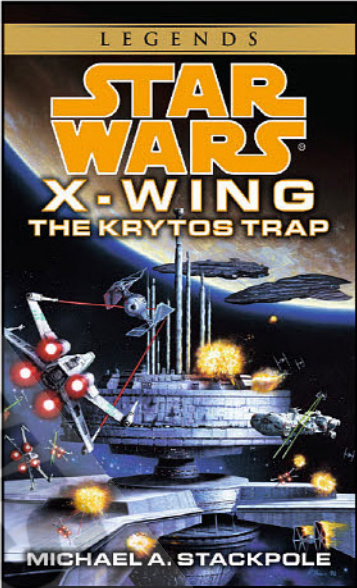

Now for the first time in trade paperback: the chilling tale of the undead in a galaxy far, far away. When the Imperial prison barge *Purge*—temporary home to five hundred of the galaxy's most ruthless killers, rebels, scoundrels, and thieves—breaks down in a distant part of space, its only hope appears to lie with a Star Destroyer found drifting and seemingly abandoned. But when a boarding party from the *Purge* is sent to scavenge for parts, only half of them come back—bringing with them a horrific disease so lethal that within hours nearly all aboard the *Purge* die in ways too hideous to imagine. And death is only the beginning. (STL230183) (C: 0-1-0)

STAR WARS LEGENDS: ROGUE SQUADRON—THE KRYTOS TRAP SC
(W) Michael A. Stackpole
The Rebels have taken the Imperial headquarters world of Coruscant, but their problems are far from over. A killer virus called Krytos is spreading among the population, and fomenting a counter-revolution at the heart of the New Republic. At the same time, Rebel hero Tycho Celchu is on trial for treason, accused of murdering his comrade and fellow pilot, Corran Horn. Corran, however, is still alive but trapped in the secret inescapable prison of Ysanne Isard, the imperial officer whose reputation for torture and cruelty have earned her the unofficial moniker "Iceheart." As he fights for his freedom, the pilot discovers an extraordinary power in himself—the power of the Force! (STL230182) (C: 0-1-0) **NOVEL**

STAR WARS VISIONS: RONIN SC
(W) Michael Reaves
An original novel inspired by the world of *The Duel* from the *Star Wars Visions* animated anthology. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire, but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life. STAR WARS LEGENDS: DARTH MAUL—SHADOW HUNTER SC
(W) Michael Reaves
After years of waiting in the shadows, Darth Sidious is taking the first step in his master plan to bring the Republic to its knees. Key to his scheme are the Neimoidians of the Trade Federation. Then one of his Neimoidian contacts disappears, and Sidious does not need his Force-honed instincts to suspect betrayal. He orders his apprentice, Darth Maul, to hunt the traitor down. But he is too late. The secret has already passed into the hands of information broker Lorn Pavan, which places him right at the top of Darth Maul's hit list. But how can an ordinary man, stranger to the powerful ways of the Force, hope to triumph over one of the deadliest killers in the galaxy? (STL230184) (C: 0-1-0) **NOVEL**

STAR WARS: THRAWN ASCENDANCY BOOK 3: LESSER EVIL SC
(W) Timothy Zahn
For thousands of years The Chiss Ascendancy has been an island of calm, a center of power, and a beacon of integrity. Led by the Nine Ruling Families, their leadership stands as a bulwark of stability against the Chaos of the Unknown Regions. But that stability has been eroded by a cunning foe that winnows away trust and loyalty in equal measure. To ensure the Ascendancy's future, Thrawn will delve deep into its past, uncovering the dark secrets surrounding the ascension of the First Ruling Family. But the truth of a family's legacy is only as strong as the legend that supports it. Even if that legend turns out to be a lie. (STL230181) (C: 0-1-0) **NOVEL**

**STAR WARS: PADAWAN HC**

(W) Kiersten White

Obi-Wan Kenobi has not been apprenticed long to Qui-Gon Jinn, and he is chafing at Qui-Gon's training style: all meditation, no action. Obi-Wan yearns to prove himself on a mission, but when he and Qui-Gon are finally set to leave on an assignment, Qui-Gon is nowhere to be found. Angered by his master's abandonment, Obi-Wan sets out on the mission alone, determined to prove himself. On a mysterious planet he encounters a pack of feral, Force-wielding teens who seem to be the planet's only inhabitants. As he experiences wild freedom with them and wonders if this isn't the life he was meant for, Obi-Wan can't escape the nagging sense that something is wrong with the Force there. Growing attachments, startling revelations, and a looming threat to both

the planet and his new friends will bring Obi-Wan face-to-face with his worst fear: that maybe he was never supposed to be a Jedi at all. (STL229692) (C: 1-1-1) NOTE: Not available in Australia and New Zealand.

ACTING CLASS HC

(W/A/CA) Drnaso, Nick

Acting Class creates a tapestry of disconnect, distrust, and manipulation. Ten strangers are brought together under the tutelage of John Smith, a mysterious and morally questionable leader. The group of social misfits and restless searchers have one thing in common: they are out of step with their surroundings and desperate for change. When the line between real life and imagination begins to blur, the group's deepest fears and desires are laid bare. Exploring the tension between who we are and how we present, Drnaso cracks open his characters' masks and takes us through an unsettling American journey. (STL230507)

BIRDS OF MAINE HC

(W/A/CA) Michael DeForge

Long after the demise of humankind, birds roam freely around a new earth complete with fruitful trees, sophisticated fungal networks, and an enviable socialist order. The universal worm feeds all, there are no weekends, and economics is as fantastical a study as unicorn psychology. Michael DeForge's post-apocalyptic reality brings together the author's quintessential deadpan humor, surrealist imagination, and undeniable sociopolitical insight. (STL230506)

WORLD RECORD HOLDERS TP

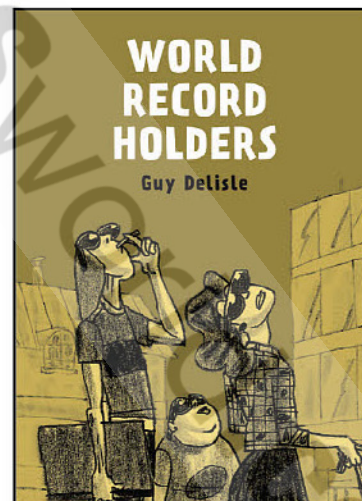

(W) Guy Delisle, Helge Dascher

(A/CA) Guy Delisle

Universally beloved cartoonist Guy Delisle showcases a career-spanning collection of his work with a sly sense of humor and warm characterization. *World Record Holders* ranges from wistful childhood nostalgia to chagrined post-fame encounters, touching on formally ambitious visual puns and gut-busting what-ifs. Delisle again and again shows how life is both exhilarating and embarrassing. (STL230505)

THE COMPLETE EIGHTBALL 1-18 PAPERBACK EDITION

By Daniel Clowes

\$49.99 / SC / 528 pgs / FC / 6.625" x 10.25"

From 1989 to 1997, Daniel Clowes produced 18 issues of what is still widely considered one of the greatest and most influential comic book titles of all time. Now, Fantagraphics is collecting every single page of these long out-of-print issues in a paperback edition. This collection contains the original installments of *Ghost World*, the short that the film *Art School Confidential* was based on, and much more, newly designed for paperback by the author and featuring new covers by Clowes, and "Behind the Eightball": the author's annotations for each issue, heavily illustrated with art and photos from his archives.

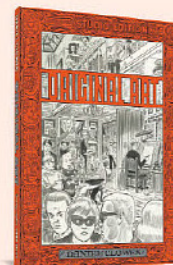

ALSO AVAILABLE

THE DANIEL CLOWES READER

REED CRANDALL'S EC STORIES ARTIST'S EDITION HC

(W) Various (A/CA) Reed Crandall
Reed Crandall was one of the greatest comic artists of the Golden Age. His work graced the covers and pages of National Comics (drawing the iconic *Uncle Sam*, as well as *Blackhawk*, *Doll Man* and many others). Legendary for his remarkable talents as a draftsman, he was the quintessential "Artist's Artist." This Artist's Edition focuses on Crandall's remarkable EC Comics stories, including many that are outright classics. And like all the award-winning Artist's Editions, this book was scanned entirely from the original art. (NOV160509)

A Creator You Should Know: CARMINE INFANTINO

As a youngster, Carmine Infantino struggled to break into comics around the demands of his school schedule, making a number of sales and working on a variety of titles for different publishers including Hillman Periodicals, Fawcett, Holyoke, and DC Comics. He also worked for Joe Simon and Jack Kirby's Prize Comics during his early days. When editor Julius Schwartz paired him with writer Robert Kanigher on a revival of the Golden Age superhero The Flash in *Showcase* #4, though, lightning struck more than just the main character. Showing his illustration and design talents on characters ranging from the science fiction adventurer Adam Strange to serious superhero Batman to somewhat silly hero Elongated Man, Infantino became DC's Art Director, Editorial Director and eventually Publisher, supervising among other things the first Marvel - DC crossover, *Superman vs. The Amazing Spider-Man*. Following his staff tenure, he returned to work as a freelancer, illustrating *Star Wars*, *Nova*, and *Spider-Woman* for Marvel and various others for DC.

VENDETTA: HOLY VINDICATOR TP

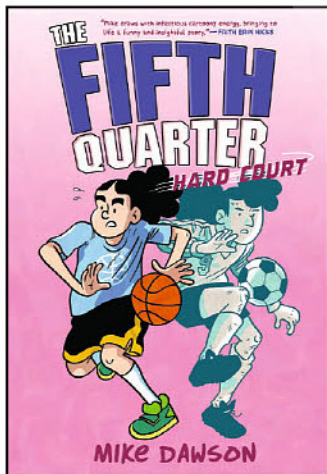

(W/A) Steve McArdle

Just when we thought we'd seen every supreme extreme in the superhero megaverse, we unearthed the decades-old, skin-flaying singular work of Steve McArdle and his Red Bullet Comics imprint. From the start, McArdle was a maestro of blood and mayhem, an overlooked '90s creative genius wrapped in black leather and raw ambition. In his undisputed masterpiece *Vendetta: Holy Vindicator*, skulls, spikes, motorbikes, chains, more chains, and Satan collide at thrash-metal speed in what may be the most intensely confident entry to the self-published comics canon ever. FIRST SECOND BOOKS

FIFTH QUARTER: HARD COURT GN

(W/A) Mike Dawson

Lori's game just gets better. She's practicing constantly in her after-school program, and although she's still only playing in the fifth quarter, she's starting to feel confident on the court. But growing brings change; her friends start to branch off into different interests, and even different basketball teams. At home, the family dynamics are changing too, with her dad going back to work, and her mom staying home with the kids for the first time in Lori's life. The brewing tension unsettles Lori, and she begins holding herself back. With the support of her family, and the expertise of her soccer-player-turned-coach mom, Lori must learn how to trust herself and take chances, not just on the court, but in life as well. FGTEEV SAVES THE WORLD! GN

(W) FGTeEV

(A) Miguel Diaz Rivas

The FGTeEV family gamers really, really love playing games! But for Duddy, one game is by far best: *Super Realistic (And Totally Not Made Up) Zombie Battles from the War of 1812*. Even though in Duddy's opinion the updated version doesn't stand up to the classic original, it doesn't mean that he can't quickly rack up all the power-ups, bonuses, and achievements to show the kids — Lexi, Mike, Chase, and Shawn — how it's done. That is until the game freezes! The family heads to the Shady Acres Mall to fix their controller, but while at the game store, one wrong

click causes all the characters from the *Zombie Battles* game to explode into the real world. Now Duddy, Moomy, Lexi, Mike, Chase, and Shawn have to fight their own avatars in order to save the world—but will they be able to stop the army of world-conquering video game villains before the bad guys level up? Riverdale meets *Stranger Things* in this debut queer YA graphic novel, developed from a hit webcomic. Tony Price is a popular high school track star and occasional delinquent aching for his dad's attention and approval. Eli Hirsch is a quiet boy with a chronic autoimmune disorder that has ravaged his health and social life. What happens when these two become unlikely friends (and a whole lot more...) in the spooky town of Blackwater, Maine? Werewolf curses, unsavory interactions with the quarterback of the football team, a ghostly fisherman haunting the harbor, and tons of high school drama. (STL230166) (C: 0-1-1)

MANDRAKE THE MAGICIAN: THE COMPLETE DAILIES VOLUME 1: 1934-1936 HC

(W) Lee Falk (A) Phil Davis

From the creative mind of Lee Falk comes *Mandrake the Magician*! Created in 1934 with the story "The Cobra." Comics historian Don Markstein wrote, "Some people say *Mandrake the Magician*, who started in 1934, was comics' first superhero." Hermes Press is proud to continue their legacy of complete Lee Falk comic reprints, starting with the very first years of *Mandrake*. This first volume includes five stories, "The Cobra" (June 11, 1934 - Nov. 24, 1934), "The Hawk (Mandrake Meets Narda)" (Nov. 26, 1934 - Feb. 23, 1935), "The Monster of Tanov Pass" (Feb. 25, 1935 - June 15, 1935), "Saki, the Clay Camel" (June 17, 1935 - Nov. 2, 1935), and "The Werewolf" (Nov. 4, 1935 - Feb. 1936). Strips from this issue are taken directly from King Feature's proofs. Included in the volume is a comprehensive essay and documentary materials. (STL220963) (C: 0-1-1)

THE DARK SHADOWS PAPERBACK LIBRARY VOLUME 20: BARNABAS COLLINS AND THE WITCH'S CURSE TP

(W) Marilyn Ross

Against her will, Anita Burgess accompanies her brother Jeffrey to Collinwood. He is determined to get revenge against Quentin Collins who he believes is responsible for his best friend's death. Pretending friendship toward Quentin, Anita and Jeffrey learn he has established a Black Magic center at Collinwood and has several young women completely under his power. Jeffrey enlists Barnabas's aid in his struggle to destroy Quentin, both to avenge his friend's death and to free the young women. But he does not realize that by destroying Quentin, he risks destroying Anita as well. (STL175915)

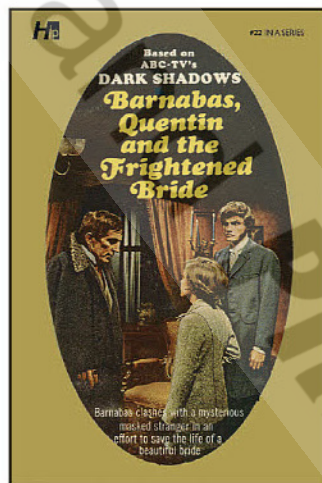

THE DARK SHADOWS PAPERBACK LIBRARY VOLUME 21: BARNABAS COLLINS AND THE HAUNTED CAVE TP

(W) Marilyn Ross

Harriet Turnbridge asks Barnabas Collins for help after her husband, her brother-in-law, and father-in-law are found dead, their throats savagely ripped open. The police insist the killer is a mad beast. Harriet thinks that the phantom recently seen at Collinwood is responsible. Barnabas suspects that Quentin Collins, disguised as a wealthy hippie, is guilty. Where will they find the murderer? In the nightmare world of Harriet's dreams? In the haunted cave beneath the Collins' family cemetery? Or in another century — when witchcraft and demonology threatened Collinwood? (STL179089)

THE DARK SHADOWS PAPERBACK LIBRARY VOLUME 22: BARNABAS COLLINS AND THE FRIGHTENED BRIDE TP

(W) Marilyn Ross

Ann and John Hayward's honeymoon at Collinwood slowly turns into a series of nightmares. Soon after their arrival, John, who is recovering from a war injury, falls victim to strange, violent spells. In a fit of irrational jealousy, he accuses his wife of falling in love with Barnabas Collins. Meanwhile, a series of attacks on her life frighten Ann into believing John is trying to kill her. Though tormented by doubts to John's sanity, she believes his warning that Barnabas is a vampire. Ann nevertheless accepts help from Barnabas — and unknowingly becomes the prey to the evil forces at Collinwood! (STL179090)

THE DARK SHADOWS PAPERBACK LIBRARY VOLUME 23: BARNABAS COLLINS AND THE SCORPIO CURSE TP

(W) Marilyn Ross

Is the sign of Scorpio the mark of death? Terror reigns at Collinwood when several patients at a nearby psychiatric clinic at which Barnabas Collins is a patient are stabbed to death. Each victim's forehead is marked with a scorpion, the zodiacal symbol of death. Then Diana Collins, another Collins family relative, finds a bloody knife in her room. Diana, whose astrological sign is Scorpio, is afraid that she may have committed the murders during one of her black-outs. The fear that she is losing her mind is compounded when no one will believe she has seen a strange, wolf-like creature prowling the grounds. The only person who will listen to her story is Barnabas. But how can he help her when he too has become a suspect? (STL184265)

THE DARK SHADOWS PAPERBACK LIBRARY VOLUME 24: BARNABAS COLLINS AND THE SERPENT TP

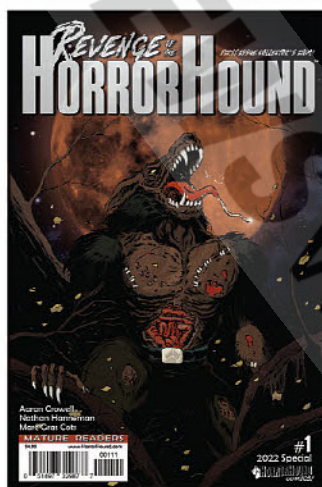

(W) Marilyn Ross

Professor Gerald Collins returns to Collinwood from an archaeological expedition to Mexico with several crates of animals. She fears her father also brought back a Quetzalcoatl, the terrible, cursed feathered serpent of Aztec legend. Suddenly, a mysterious murderer strikes at Collinwood, and a feathered serpent is reported flying over the area. The townspeople, already angered by the presence of Barnabas at Collinwood, now demand that Professor Collins turn his specimens over to a zoo before anyone else is killed. Irma tries desperately to clear her father's name, and in doing so, stumbles upon a monster even more dreadful than the Quetzalcoatl. (STL184266)

On April 2nd, 2020, comics lost one of its most celebrated and talented artist to COVID-19.

Juan Giménez was born November 26th, 1943 in Mendoza, Argentina, and devoted his life to the comics medium. His extremely detailed work, particularly his renditions of technology, influenced countless artists that followed him, both in North America and across Europe. In 1992, Giménez and writer Alejandro Jodorowsky began work on *The Metabarons*, a science fiction saga of epic grandeur. It remains one of the true graphic novel classics of the genre. On his own, Giménez created, among other works, *The Fourth Power*, the legendary space opera that further cemented his reputation as one of the masters of comics art.

There are many artists who are adored by their fans, but only a select few are equally revered by their peers. Juan Giménez was the latter, able to render not only sprawling worldsapes but subtle and moving moments of humanity. Worldwide, the comics community mourns for him.

VIETNAMESE MEMORIES: LITTLE SAIGON

AUTHOR STORY & ART: CLEMENT BALOUP

Five families. Five time periods. Forced to flee their country, leave everything behind and adapt to a new culture in an unfamiliar land. A testimonial to hope in the face of war.

Author and artist Clement Baloup delves intimately into the pasts of a few colorful, passionate, and strong Vietnamese women who, uprooted by colonialism and war, crossed the Pacific Ocean to rebuild their lives in small Vietnamese communities across the United States. Faced with shocking, and at times, horrifying obstacles instigated by forces both internal and external, these individuals had to summon an inner strength that carried them out of their nightmares, and into their American Dreams.

GIL KANE'S THE AMAZING SPIDER-MAN ARTISAN EDITION SC

(A/CA) Gil Kane

This must-have volume features some of the most historically important stories ever produced with Marvel's famed wall-crawler, all meticulously scanned from the original artwork! Gil Kane's *The Amazing Spider-Man Artisan Edition* presents each page in what appears to be black and white, but has actually been scanned in color. Readers view the art in its most natural form—blue pencils, ink gradients, and editorial notations all clearly visible—so they can (ahem) marvel at all the little nuances that make original art unique. This volume contains the infamous three-part drug story that was not approved

by the Comics Code Authority (*Amazing Spider-Man* #96-98). The second three-part story features the legendary six-armed Spider-Man saga (*Amazing Spider-Man* #100-102). Additionally, one of the most famous—and most shocking—Spidey tales is included: the death of Gwen Stacy! (*Amazing Spider-Man* #121). You can't get a better line-up of Spider-Man stories than this! THE BEND OF LUCK TP

(W) Peter Hoey
(A/CA) Maria Hoey
Imagine a world where Luck, the most ephemeral of ideas, has a physical form. Precious stones of luck, mined like gold, are worn as bringers of fortune. But luck breaks both ways. While the blue gems may grant advantage to those who wear them, their blessing is fickle and unpredictable. In the blink of an eye, good luck can turn to bad. We follow the life of a man who comes into possession of some powerful stones - but the success enjoyed by the father goes awry when he tries to pass this luck onto his son. In alternating scenes between the two generations, *The Bend of Luck* follows felicity's course, like an arrow, through a family's destiny. LACKADAISSY VOLUME 1 GN

(W/A/CA) Tracy J. Butler

It's 1927 and Prohibition is in full effect in St. Louis, Missouri. Organized crime has risen to meet the relentless demand for illicit alcohol. Bootleggers, gangsters, and might-makes-right rule dominate the city's underworld, fueled by

the patrons of speakeasies — speakeasies like Lackadaisy. Hidden under the unassuming Little Daisy Cafe and run by the widowed and strong-willed Mitzi May, Lackadaisy holds its own in a rough-and-ready world, where you're either holding the gun or taking the bullet. But will tenacity, class, and a little bit of crazy be enough to ensure the survival of Mitzi and her gang? A keepsake collected edition of the cult classic, Eisner Award-nominated webcomic! KYLE'S LITTLE SISTER

By BonHyung Jeong

My name is Grace, not "Kyle's little sister"!

Having a good-looking, friendly, outgoing older brother sucks—especially when you're the total opposite, who likes staying home and playing video games. Your parents like him better (even if they deny it!), and everyone calls you "Kyle's little sister" while looking disappointed that you're not more like him. I was really hoping I'd get to go to a different middle school, but no such luck. At least I have my friends...until he finds a way to ruin that, too...! Argh! What do I have to do to get out of his shadow?!

The first in a three-book middle grade novel series by Spider-Man's number one fan and hilarious fiction writer, Preeti Chhibber! Peter Parker has been swinging and whipping his way through New York City as Spider-Man for just a few months, and balancing his double life is complicated. He goes to school and tries not to embarrass himself in front of his crush, MJ; he takes photos for the *Daily Bugle* and tries not to embarrass himself in front of his boss, J. Jonah Jameson; and he fights crime in the evenings and... well, he's kind of always trying to not embarrass himself. On top of all that, the notorious villain the Sandman is acting more strangely than ever, social media seems to be taking a toll on MJ, and someone keeps trying to steal an artifact that's supposedly powered by alien matter... which can't be good. Something eerie is going on, and Peter is determined to figure out what it is before things go from weird to dangerous. (STL229690) (C: 0-1-0)

MY LIFE BEYOND NEUROFIBROMATOSIS GN

(W/A) Hey Gee

Leo, a boy with neurofibromatosis, is visiting New York with his family after a treatment. But everywhere they go, mysterious things keep happening. The T-Rex at the American Museum of Natural History comes to life. The ice rink in Central Park transforms into mountains of ice. Then something is making people sick all over the city. In each case, Leo — together with his dog, Clark — uses his hidden powers to tackle the dangers and save others. But what could be causing all these strange events? Are they connected? When Leo spots a green light coming from the Empire State Building, it's up to him and Clark to solve the mystery and find out what, or who, is behind it. He'll find out it's not only his hidden powers but also his diagnosis that make him the perfect hero for the moment. (STL229206) (C: 0-1-0) SC, 8x11, 36pgs, FC \$8.99

MY LIFE BEYOND VACCINES GN

(W/A) Hey Gee

Once upon a time, when four dragons threaten to bring sickness to villages everywhere, wizards around the world need help to protect their communities. One young warrior sets out to gather each of the dragons' stones, which hold key information about how the dragons move and attack. The warrior will need her skill, bravery, and the knowledge she gains along the way, along with some help from a baby dragon, to succeed on her adventure as she takes on each of the dragons to gather the stones that can bring protection. In the modern world, our dragon stones — vaccines — may seem nearly as mystical and magical. They've been developed through the hard work, skill and knowledge of doctors and scientists. This tale speaks to the importance of our best protection against the infectious diseases that threaten global health, and those that are yet to come. DO NOT PET #3: SERVICE DOGS GRAPHIC TAIL

(W) Joe Biel (A) Gerta Oparaku

Ruby, a service dog who gave author Joe Biel mobility, health, and companionship through the most difficult years of their life, had many things to learn during her humble beginnings. This comic details the process for training a medical alert service dog, as well as other types of service dogs, the responsibility of their handlers for these lessons, and how these incredible dogs learn their skills. Service dogs are heartwarming signs of success as well as each one is a thrilling story of a successful struggle for basic human rights, and a powerful lesson in what humans and dogs can achieve by working together. BIG SCOOP OF ICE CREAM GN

(W/A) Conxita Herrero

Conxita, in her twenties, the latest representative of a whole generation, lost her heart somewhere between Madrid and Barcelona. A "real spitfire" according to her mother, she faces everyday events with great courage. A former student of Fine Arts, she draws her every adventure, from her apartment that she shares with a girl who's her mirror image, her household, her computer, her dreams to elsewhere, her escapes to the beach, her telephone conversations with friends, to her more or less happy dates. In this autobiographical tale in seventeen short tableaux, Conxita Herrero shakes up preconceived ideas about the transition to

adulthood. In a minimalist and rigorous style, she plays with antagonisms and mixes inertia and movement, silent panels and intimate, mysterious dialogues, bare lines and pure colors. Freeing herself from the "concern for truth" specific to the autobiography, the author sheds any sentimentality and provides her sets and her characters with sketchy features a strange and fascinating dimension oscillating between reality and dream. O/A CANCIONES: OF FEDERICO GARCIA LORCA HC

(W/A) Tobias Tak

Federico García Lorca is one of Spain's foremost cultural and literary figures. In 1927, he published his masterpiece *Canciones*, a volume of lyrical poetry. Tobias Tak transformed twenty of these poems into a series of richly detailed and inventive comics. With his boundless imagination, Tak's illustrations add a new depth and energy to Lorca's poetry. This collection will appeal to lovers of visual art, graphic novels and poetry and aims to bring the colorful and atmospheric landscape of Lorca's work to a new audience. SISTERS OF THE MIST GN

(W/A) Marlyn Spaaij

Frygea Forest. An ancient and mystical place where trolls lurk in the mossy spaces between tree trunks and changelings scamper about, causing mischief. A place that Kyra and her sisters Margot and Janna return to every year to spend the summer at their grandma's farm: roasting marshmallows, catching frogs and befriending tiny, grumpy root goblins. But this summer is different, and as teenage Margot drifts apart from her sisters, slamming doors and keeping secrets, Kyra starts to worry. When Margot is enticed into the woods by the mysterious figures in the mist, Kyra resolves to do everything in her power to save her sister from danger, even if that means facing the spooky forces within Frygea Forest with just her kid sister for help. Oni Press' 25th anniversary editions of classic Oni titles begins with this facsimile of issue #1 of Greg Rucka and Steve Lieber's seminal series *Whiteout*.

U.S. Marshal Carrie Stetko has made Antarctica her home. In the vastness of the ice, she found peace... Or at least, that's what she thought, until someone commits a murder in her jurisdiction and Stetko must use her detective skills once more or become another victim of this mysterious killer...

"We exist in the stories we tell about others and, more crucially, about ourselves. Aaron Durán and Sara Solar aren't looking to reinvent the wheel, here—they're showing us a different car, taking us on a different route. It's a ride I'm delighted to be taking with them."

—Greg Rucka

"Aaron Durán and Sara Solar's *Season of the Bruja* is full of danger, fun, monsters and heart. You will fall in love with its characters instantly and eagerly await each new installment. Get ready to enjoy the fiesta!"

(A) Albert Uderzo
Asterix is a fearless Gaul with a magic potion that grants him incredible strength to protect his village and ward off Roman Empire from invading. With his pal, Obelix, the defend their village from not only the blundering Roman legionnaires, but also lend their services to the rest of the world. First, Asterix and Obelix's fishing trip goes wrong when they make *The Great Crossing* and wind up on the shores of North America. Neither America, nor Asterix, will ever be the same after this comical invasion. Second, Obelix gets the spotlight as his delivery service for stone menhir slabs gets a Roman update, becoming *Obelix and Co.* Will Obelix be too greedy? Probably! Then, third, watch your waffles, it's *Asterix in Belgium*, writer and Asterix co-creator René Goscinny's final story before his untimely death. It's a tale of two tribes as the Gauls and the Belgians unite, and then unravel, all to keep out Caesar's forces. Plus: a new Afterword by Alexander Simmons providing historical and cultural context for Asterix, both in 50 BCE and in the time the classic comics were made. PS ARTBOOK: SCREAM MAGAZINE #2

(A) Josep Maria Miralles & Various Skywald's *Scream* #2 October 1973 is a black-and-white comic magazine absolutely packed full of horror and suspense. Featuring Lady Satan, this is her macabre origin issue. Within one body lived one Anne, innocent and good, and another Anne, the evil "Black Witch of Salem." Together: they were "Lady Satan," each constantly struggling with the other for complete control over their shared body created by Al Hewetson and penciled by Ricardo Villamonte. This issue also features "The Thing in the Black Dress" by Al Hewetson and penciled by Suso and "The Vampire Letters" by Al Hewetson and penciled by Emilio Bernado, one set of fearsome females! And all reproduced here completely like the original comic magazine. Don't hang around, these horrors will be gone by sunrise! (STL230158) (C: 0-1-1)

CINEMA RETRO VOLUME 17 #53

Our latest issue is packed with features, including two "Film in Focus" specials on David Lean's *Ryan's Daughter* (1970), and Peter O'Toole's often forgotten *Lord Jim* (1965). Cal Ross interviews director Jeannot Szwarc about his love story *Somewhere in Time* (1980) starring Christopher Reeve and Jane Seymour, and Dave Worrall discovers Helen Mirren's first big screen appearance in *Age of Consent* (1969). All of this, plus Mark Mawston's interview with John Leyton about working on *Von Ryan's Express* (1965), *The Great Escape* (1963), and *Krakatoa, East of Java* (1968), and Gareth Owen discussing the filming of *The Great*

The Big Book of Breasts

THE BIG BOOK OF BREASTS HC (NEW PRINTING)

(W) Dian Hanson Ed (A/CA) Various

Some call it the American obsession, but men everywhere recognize the hypnotic allure of a large and shapely breast. In *The Big Book of Breasts*, Dian Hanson explores the origins of mammary madness through three decades of natural big-breasted nudes. Starting with the World War II Bosom-Mania that spawned Russ Meyer, Howard Hughes's *The Outlaw* and Frederick's

of Hollywood, Dian guides you over, around, and in between the dangerous curves of infamous models. The 396 pages of this book contain the most beautiful and provocative photos ever created of these iconic women, plus nine original interviews, including the first with Tempest Storm and Uschi Digard in over a decade, and the last with Candy Barr before her untimely death in 2005. In a world where silicone is now the norm, these spectacular real women stand as testament that nature knows best. (STL229686) (C: 0-1-2)

LITTLE BIG BUTT BOOK HC

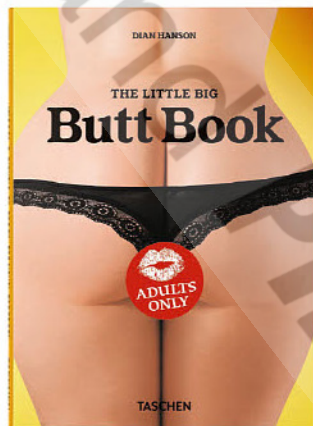

(W) Dian Hanson (A/CA) Various

The original *Big Butt Book* featured a great cross section of delectable rears from the 1950s to the present day. Here, since life is such an ironic deal, we decided to pare the original content down to just the biggest and the best, in-your-face phatties to which the great Sir Mix-a-Lot alluded when penning, "My anaconda don't want none, unless you've got buns, hun." Then we added in about 30 new photos, just to be generous. Now in these 150 plus photos you'll see the big and the bountiful, in black and white and in color. The models may be largely anonymous, but their curves are legendary, and now that they're collected in a discrete little package. Whether your favourite medium is digital, traditional, or a mix of both, Stockholm-based Feefal will have used it to explore her unique world of anthropomorphised figures, animals in dream-like settings, and cool-girl magic. Now for the first time, Feefal has written a beautifully produced book, her work printed on high-quality paper, providing the chance to not only show what she does, but also how. Feefal shares the early influences that put her on the path to becoming the professional character designer she is today, including those of her Swedish-Japanese upbringing. With galleries of curated classics intertwined with step-by-step tutorials and fascinating insights into her creative process, Feefal's work is as intriguing as it is spellbinding. THE ILLUSTRATORS: TOVE JANSSON HC

(W) Paul Gravett (A) Tove Jansson

Born in Helsinki among Finland's Swedish-speaking minority, Tove Jansson was brought up with a love for making art and stories in a supportive, artistic family. Her first illustrated tales were published when she was fourteen years old and she went on to draw humorous and political cartoons as well as striking front covers for the satirical magazine *Garm*, in response to events in World War II. As she developed from art student to painter and muralist, and from bohemian to lesbian, she also created her Moomin world, which appeared in her first children's book in 1945 and then in newspaper strips. Jansson

also wrote many novels, documented here along with personal commentaries from her own writings. A title in *The Illustrators* series, which celebrates illustration as an art form, Tove Jansson offers a visually rich view into the life and work of this much-loved artist and writer. (STL230741) (C: 1-1-2) NOTE: Available only in US, Canada, and US territories.

AMERICAN COMIC BOOK CHRONICLES: THE 1990s HC

The 1990s was the decade when Marvel Comics sold 8.1 million copies of an issue of the *X-Men*, saw its superstar creators form their own company, cloned Spider-Man, and went bankrupt. The 1990s was when Superman died, Batman had his back broken, and the runaway success of Neil Gaiman's *Sandman* led to DC Comics' Vertigo line of adult comic books. It was the decade of gimmicky covers, skimpy costumes, and mega-crossovers. But most of all, the 1990s was the decade when companies like Image, Valiant and Malibu published million-selling comic books before the industry experienced a shocking and rapid collapse. HERO-A-GO-GO SC

Welcome to the Camp Age, when spies liked their wars cold and their women warm, good guys beat bad guys with a pun and a punch, and Batman shook a mean cape. *Hero-A-Go-Go* celebrates the camp craze of the Swinging Sixties, when just about everyone — the teens of Riverdale, an ant and a squirrel, even the President of the United States — was a super-hero or a secret agent. Michael Eury takes you through that coolest cultural phenomenon with this lively collection of nostalgic essays, histories, and theme song lyrics of classic 1960s characters like Captain Action, Herbie the Fat Fury, Captain Nice, Atom Ant, Scooter, ACG's Nemesis, Dell's super-Frankenstein and Dracula, the "split!" Captain Marvel, and others! (STL031673)

O/A JOHN SEVERIN: TWO-FISTED COMIC BOOK ARTIST HC

(W) VARIOUS (A/CA) John Severin From a start in 1947 at the Simon & Kirby shop, John Severin co-created the legendary Western strip *American Eagle*, and became an EC Comics mainstay, working with Harvey Kurtzman on *MAD* and *Two-Fisted Tales*. In addition to a 40+ year association with *Cracked* his pivotal Marvel Comics work included an extended run inking Herb Trimpe on *The Hulk*, and teaming with sister Marie Severin to create the definitive comics version of King Kull. He freelanced for virtually every major publisher, and remained a workhorse up until his final Dark Horse mini-series at age 89. Written by Greg Biga and multiple Eisner Award-winner Jon B. Cooke, this profusely illustrated book celebrates the centennial of the two-fisted artist's birth! (STL196634)

REED CRANDALL: ILLUSTRATOR OF COMICS SC

(A) Reed Crandall
New Softcover Edition! From the 1940s to the '70s, Reed Crandall brought a unique and masterful style to American comic art. Using an illustrator's approach on everything he touched, Crandall gained a reputation as the "artist's artist" through his skillful interpretations of Golden Age super-heroes Doll Man, The Ray, and Blackhawk (his signature character); horror and sci-fi for the legendary EC Comics line; Warren Publishing's *Creepy*, *Eerie*, and *Blazing Combat*; the *THUNDER* Agents and Edgar Rice Burroughs characters; and even *Flash Gordon* for King Features. Comic art historian Roger Hill has compiled a complete and extensive history of Crandall's life and career, from his early years and major successes, through his tragic decline and passing in 1982. UNIVERSITY PRESS OF MISSISSIPPI

CONTAGIOUS IMAGINATION: THE WORK AND ART OF LYNDA BARRY SC

Lynda Barry (b. 1956) is best known for her distinctive style and unique voice, first popularized in her underground weekly comic *Ernie Pook's Comeek*. Since then, she has published prolifically, including numerous comics, illustrated novels, and nonfiction books exploring the creative process. Barry's work is genre- and form-bending, often using collage to create what she calls "word with drawing" vignettes. Her art, imaginative and self-reflective, allows her to discuss gender, race, relationships, memory, and her personal, everyday lived experience. The essays in *Contagious Imagination* study the pedagogy of Barry's work and its application academically and practically. (STL229200) (C: 0-1-1)

KENZIE IS NO PRINCESS.

Princesses are supposed to be poised, graceful, and likeable, right? Well, Kenzie is none of those things. She's always felt like the black sheep of her family next to her two perfect siblings. Her anxiety has only grown since her parents moved their family across the world to start a Medieval-themed resort in an old castle. But when a time-traveling squire named Gavin shows up from the castle's past, Kenzie might just discover that being a princess is far more about being brave, being a good friend, and, above all, being yourself.

THE COMIC BOOK LESSON GN

(W/A/CA) Mark Criley
On her quest to turn her story into a comic book, Emily visits her comic book shop and local comics convention, where she meets three mentors. Trudy, a high school student working on comics of her own, teaches Emily how to create expressive characters and how art can convey action and suspense. Madeline, a self-published manga artist, teaches Emily how to use panel composition and layout to tell a story visually and how to develop a comic from script to sketch to finished pages. Sophie, a professional graphic novelist, guides Emily through fine-tuning the details of dialogue, sequence, and pacing to lead readers through the story. Each lesson

builds off the previous information and skills presented, and the sequential art format provides the perfect vehicle for step-by-step instruction. (STL229801) (C: 0-1-1)

THE LIMINAL ZONE

What destiny awaits them after the screaming? After abruptly departing from a train in a small town, a couple encounters a “weeping woman”—a professional mourner—sobbing inconsolably at a funeral. Mako changes afterward—she can’t stop crying! In another tale, having decided to die together, a couple enters Aokigahara, the infamous suicide forest. What is the shocking torrent they discover there?

One of horror’s greatest talents, Junji Ito beckons readers to join him in an experience of ultimate terror with four new stories.

UNDER NINJA VOLUME 1 GN

(W/A/CA) Kengo Hanazawa
After World War II, Allied Command in Japan developed a new agency to help manage terrorism and violence within the Pacific region. The agency was staffed with ninja and they were initially tasked to handle domestic affairs. Eventually that program grew to its current form, managing 20,000 ninja across a range of domestic and international affairs. One of those ninja happens to be Kudo. The 17-year-old high school loser is now poised to be the next line of defense against a potential surge in foreign assassins invading Tokyo. UNDER NINJA VOLUME 2 GN

(W/A/CA) Kengo Hanazawa
The Russian FSB has sent a ninja to Japan to target the former UN Ninja assigned to Tokyo. Now armed with modern ninja gear, Kudo begins to test out his new tool set throughout the mean streets of Tokyo. Unbeknownst to him, there is a Russian agent in town set on disrupting Japan's ninja corps. While still fresh and not yet fully trained, Kudo is put on alert to take care of a terrorist in the city. It just so happens that this agent also happens to possess ninja skills! (STL229289) (C: 0-1-1) SC, 6x8, 192pgs, B&W\$12.95

THE 100 GIRLFRIENDS WHO REALLY, REALLY, REALLY, REALLY, REALLY LOVE YOU VOLUME 3 GN

(W) Rikito Nakamura (A) Yukiko Nozawa
Aijo Rentaro tried and tried again, but after asking a hundred girls out on a date, he was rejected every single time. In desperation he prays for guidance, only to be told by a god that his rejections were due to some cosmic error! Now the god is going to set things right by making sure that Aijo gets one hundred dates. Except, as things often do with gods, the dates come with a catch: one hundred girls are destined to be Aijo's soulmate, and unless he returns their feelings each and every time, they'll die in horrible accidents! Can someone really love a hundred other people? (STL229926) (C: 0-1-1) MATURE THEMES

Yatora studies hard and gets good grades, and he parties hard, staying out late drinking and watching soccer with his friends. He checks all the boxes he needs to be the perfect high school student. But it all starts to feel empty, and he begins to wonder what part of his life expresses who he is... or even if he has a unique voice at all. Then he wanders into the art room one day, and a lone painting captures his eye, awakening him to a kind of beauty he never knew. Compelled and consumed, he dives in headfirst—and he's about to learn how savage, unforgiving, and exhilarating creating art can be! (STL229931) (C: 0-1-1)

GO, GO, LOSER RANGER! VOLUME 1 GN

(W/A/CA) Negi Haruba

Attention kaiju and sentai fans! From the creator of *The Quintessential Quintuplets* comes a new "anti-ranger" action-comedy that'll make you root for the alien invaders! Thirteen years ago, an evil army of mysterious alien monsters invaded the Earth, but the great protectors of mankind—the Divine Dragon Rangers—show up to stop them! To this day, the fate of the Earth hangs in the balance as the fierce struggle continues to unfold! ...Or does it? In truth, the evil aliens were subjugated within the first year, and they've now become nothing more than clowns forced to act out their continuous defeat every week for the entertainment of the masses. They're not real villains, being forced to crank out a monster a week for the

Rangers to crush. But one of the aliens has had enough. Something has to change! He'll rebel against the strongest might of the Dragon Rangers and destroy them all from the inside! (STL230247) (C: 1-1-2) NOTE: Not available in Australia, Singapore or the Philippines.

HEAVEN'S DESIGN TEAM VOLUME 7 GN

(W) Hebi-Zou, Tsuta Suzuki (A) Tarako
On the seventh day, God rested. But it turns out He started getting tired long before. In fact, when it came time to design the animals, God contracted the whole thing out to an agency: Heaven's Design Team! They love their work — the giraffe, the koala, the ping-pong tree sponge(?) — but their divine client's demands are often vague, and the results are sometimes wild in more ways than one. Then there's prototyping and testing to worry about, not to mention Ms. Pluto's penchant for grotesque and Mr. Saturn, who just wants to make everything look like a horse. But in the end, all creatures great and small get their due! (STL216952) (C: 0-1-1)

NEW FASHION ILLUSTRATION: OUTFIT IDEAS FOR ALL SC

(A) Various
Forty new artists have contributed a selection of their own special style of illustration, this time featuring twin styles. While the previous edition was all about women's fashion, this edition features a more diverse range of fashion illustrations, including men's, unisex, body-positive, and multinational styles. This title also focuses mainly on works by illustrators in their teens and twenties, guaranteeing a showcase of the very latest trends. As in the previous book, we have selected the paper quality for each page individually to maximize the appeal of the illustrations, making each turn of the page an exciting sensory and stylistic experience. TIME STOP HERO VOLUME 5 GN

(W/A) Yasunori Mitsuuna

Just when Kuzuno Sekai hits rock bottom in his life, he's transported to a video-game-like fantasy world and given the ability to stop time with a game controller! Lifting skirts, stealing cash, escaping prison—sounds like a pretty good deal, except for the catch. His ability to stop time allows him to stretch a moment into months, but in the world's regular flow of time—where everyone else functions—he only has three days to accomplish some goal that isn't specified. If he doesn't reach that goal before the world's three-day timer hits zero, he has no idea what fate awaits him! (STL229957) (C: 0-1-1) MATURE THEMES

A beautiful mother, a pining tutor, and romantic hijinks await in this hot mom romcom! When Ayako's sister died, leaving her young daughter all alone, Ayako stepped up and took the child into her life. Now that her niece/adopted daughter is a teenager, a 30-something Ayako can sense first love in the air. Ayako teases her daughter about Takumi, their handsome and college-aged neighbor, who's been tutoring her since she was young—could they be a blossoming couple, since he's always beaming when he comes to their house? To Ayako's surprise, Takumi isn't interested in daughter dearest: he's long had a crush on Ayako herself! In this age gap romantic comedy, one young man is ready to bring a little sugar to the sexy mom next door. (STL230408) (C: 0-1-1) SC, 172pgs, B&W\$13.99

THE SCUM VILLAIN'S SELF-SAVING SYSTEM: REN ZHA FANPAI ZIJI NOVEL

(W) Mo Xiang Tong Xiu

This hilarious story of a man reborn as a villain in a fantasy novel series who ends up romancing the male protagonist is now in English. Half-demon Luo Binghe rose from humble beginnings and a tortured past to become unrivaled in strength and beauty. With his harem of over three hundred wives, and dominion over both the human and demonic realms, he is truly the most powerful protagonist—in a trashy web novel series! At least, that's what Shen Yuan, online alias "Peerless Cucumber," believes as he finishes reading the final chapter in *Proud Immortal Demon Way*. But when a combination of rage and a poor meal choice leads to his death, Shen Yuan finds himself reborn into the world of the web novel, in the body of Shen Qingqiu—the beautiful but cruel teacher to a young Luo Binghe. he's destined to be horrifically punished for crimes against the protagonist, so this new Shen Qingqiu has only one course of action: get into Luo Binghe's good graces before the young man's rise to power. That's the only way he'll escape the awful fate of a true scum villain! (STL229950) (C: 0-1-1) NOVEL

ONE THOUSAND YEARS OF MANGA SC (NEW EDITION)

(W/A/CA) Brigitte Koyama-Richard

As contemporary as this graphic art form may appear to readers outside of Japan, manga has deep roots in Japanese culture, drawing on centuries-old artistic traditions. Traces can be found in seventh-century temple paintings, folding screens decorated with comic characters, and painted medieval emaki-mono scrolls. This volume spans the history of manga in all its splendor and diversity. Each period is covered in detail by author Brigitte Koyama-Richard and illustrated with drawings and prints. *One Thousand Years of Manga* is both an informative account of the genesis of the form and a visual delight. THE GREEN HORNET: KATO DELUXE ACTION FIGURE

Toys / DST

TV's *Green Hornet* series didn't last. But what DID last was the legacy of Bruce Lee's portrayal of the incomparable *Kato*, who fought side-by-side with the Hornet. Now DST brings the iconic Bruce Lee character to life as this deluxe action figure, ready to rumble with bonus parts and weapons!

M-38

UNIVERSAL MONSTERS 6-INCH ACTION FIGURES

Toys / Jada Toys

The classic *Universal Monsters*—*The Frankenstein Monster*, *The Bride of Frankenstein*, and *The Creature from the Black Lagoon*—return in this new series of 6-inch actions figures, each featuring multiple points of articulation, bonus parts, and themed accessories... all in a handsome window box!

M-82

VOLTRON DEFENDER OF THE UNIVERSE: ROBO-DOU COLLECTOR FIGURE

Import Toys / Voltron

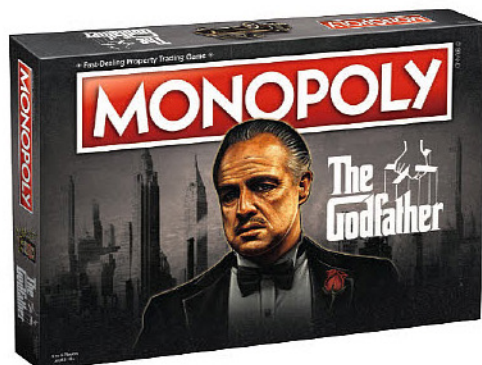

The "ROBO-DOU" Voltron is designed to achieve a wider range of articulation and better combining functions than its contemporaries while maintaining the robot's iconic retro aesthetic. Capturing its on-screen likeness, the ROBO-DOU Voltron is a non-scale, fully-articulated figure standing over 10" tall in robot mode, and can be broken down into its five Lion mecha — all fully-articulated! Also includes weapons for both modes!

M-101

MONOPOLY: THE GODFATHER EDITION BOARD GAME

Games / USAopoly

Celebrate the 50th Anniversary of the most iconic Mafia movie franchise of all time—and make an offer they can't refuse—with Monopoly: The Godfather edition, a nostalgic spin on the fast-trading property game based on the film series!

BRUCE LEE STANDS TALL AS DIAMOND SELECT TOYS' DELUXE KATO ACTION FIGURE

Legendary martial artist and film star Bruce Lee co-starred as the Green Hornet's driver and assistant Kato in the 1966 ABC television series *The Green Hornet*, and now fans of the actor and the series can add an action figure of Lee as Kato to their collections with Diamond Select Toys' *The Green Hornet: Kato Deluxe Action Figure*!

Dressed all in black, from his collar to his boots, with gloved hands, domino mask, and hat, Kato features an authorized likeness of Lee and stands over 7" tall. The figure boasts 16 points of articulation and comes with accessories, including a staff, so Kato can be positioned in a variety of fighting stances.

Add this martial artist to your collection with Diamond Select Toys' *The Green Hornet: Kato Deluxe Action Figure*!

VENGEANCE IS MEZCO'S WITH THEIR NEW ONE:12 COLLECTIVE BATMAN FIGURE

2022's biggest film thus far is Warner Bros.' *The Batman*, starring Robert Pattinson as Batman early in his career. Mezco's newest addition to their high-end *One:12 Collective* figure line, the *One:12 Collective: The Batman Figure*, brings Pattinson's Batman home in this 1/12-scale figure that features a cloth costume with cape, removeable cowl, fighting accessories, and more, all based on their appearance in the film. This detailed figure is sure to delight Batman fans; send up the Bat-signal for it at your local comic shop!

HIYA TOYS UNLEASHES TWO MORE PREVIEWS EXCLUSIVE DARK JUDGES FIGURES

Among the foes Judge Dredd has faced in the pages of *2000 AD*, the Dark Judges must count as the most dangerous. Hailing from a dark dimension where life itself is the greatest crime, Judge Mortis and Judge Fire complete Hiya Toys' **PREVIEWS** Exclusive line of Dark Judges figures. The *Judge Dredd 1/18-Scale Exquisite Mini Figures* are based on art of comics legend Brian Bolland, and each has 16 points of articulation and comes with accessories such as the trident for Judge Fire and the badge for Judge Mortis. Add these **PREVIEWS** Exclusive figures to your collection; if you don't, they will judge you and the sentence will be death!

NANOBLOCKS' NEWEST MININANO KITS LETS YOU BUILD THE PEANUTS GANG

M-71 ■ Import Toys
Statues & Models

Fans of construction bricks who also love Charles Schulz's *Peanuts* will want to check out Nanoblocks' *Peanuts Volume 3 Nanoblock MiniNano Kits*! These kits come with the bricks and instructions you need to build Charlie Brown, his sister Sally, three versions of Snoopy, including the World War I Flying Ace and Joe Cool, and Snoopy's feathered friend Woodstock. Each kit, when finished, will stand roughly 1 5/8" tall.

CHARLES SCHULZ'S SNOOPY IS A DOG ABOUT TOWN WITH SUPER7'S NEW FIGURES

Charlie Brown's beloved beagle Snoopy is an iconic figure in Charles Schulz's comic strip *Peanuts*, as famous for his cool attitude as for the many personas he adopts across the strip's fifty year run. Super7's *Peanuts Wave 5 ReAction Figures* bring *Peanuts* collectors six of those personae, including Secret Agent Snoopy and Franken-Snoopy, in a 3 3/4" scale on retro-styled blister card packaging. Add these to your collection and make the Head Beagle happy!

BUILD TONY STARK'S HALL OF ARMORS WITH FUNKO'S NEW **PREVIEWS EXCLUSIVE POP! FIGURES**

Like the mechanic who wants to get a little more oomph from his car, like the engineer who has to push his technology to the edge, billionaire Tony Stark is always refining his Iron Man armor, pushing it to the edge, learning what works, discarding what doesn't. In the bowels of Stark Tower, he keeps a workshop filled with armors, from his very first to specialized kits to more refined versions of his classics. This Hall of Armors serves as the basis for Funko's new line of **PREVIEWS** Exclusive POP! figures: the *POP! Marvel: Iron Man Hall of Armor Deluxe Vinyl Figures*. The line launches with two figures — the gold Iron Man Mk. 1 armor and the classic red and gold Iron Man Mk. 4 armor. Each of these 3 3/4" tall POP! figures comes with stackable alcoves for the armors, so as you collect these figures you can build your own POP! Hall of Armors! Available exclusively through **PREVIEWS**, the *POP! Marvel: Iron Man Hall of Armor Deluxe Figure* line will continue with additional armors later in the year and into 2023!

HUDSON TAKES FLIGHT ONCE MORE FOR NECA'S GARGOYLES ACTION FIGURE

The gargoyles of Disney's afternoon animated smash *Gargoyles* hibernated for centuries before they were reawoken in modern day New York City, and now the franchise's hibernation has likewise come to an end as NECA launches a line of figures based on the series! Hudson, the one-eyed sage of the clan of Scottish gargoyles spreads his wings to defend the city against supernatural terrors with NECA's *Gargoyles: Hudson Ultimate 7-Inch Figure*. With interchangeable heads and hands, not to mention sword accessories, this is one creature you won't want to see swooping down from the skies!

FUNKO'S PREVIEWS EXCLUSIVE VINYL SODA GARGOYLES FIGURE IS READY TO SOAR

Funko's *Vinyl Soda* is a new figure line of 4 1/2" tall figures that come in a collectible soda can with a collectible coin and chase figures to find. Inspired by Disney's mid-90s animated television series *Gargoyles*, the *Vinyl Soda Gargoyles: Goliath Vinyl Figure* depicts the leader of a clan of reanimated Scottish gargoyles in this new figure platform, and it's available exclusively through **PREVIEWS** and your local comic shop! Goliath's standard form is as a living gargoyle, but there's also a stony chase version to find!

ARTICULATED ICONS: ARMS, HANDS AND WRAPS RED PACK

From Fwoosh. If you wish to customize any of your ninja army with 2 bare red arms, then this set is for you! This set of two bare arms, plastic swappable hands (six pair: splayed, relaxed, claw, grip, fist & chop), plus wrist wraps & bands will work with all 6" scale Fwoosh figures and comes with multiple points of articulation. (STL229711) Item has been previously solicited in *New to Order*. Scheduled to ship in May 2022. (3582/AHWRED) (C: 0-1-2) NOTE: No countries actually denied.

Figure Accessory Set.....\$19.99

ARTICULATED ICONS: CLAN OF THE MIDNIGHT WHISPER 6-INCH FIGURE

From Fwoosh. Before the betrayals, before the assassination, before the fracturing and the Ninja wars, there was a single ninja clan. The monolithic *Clan of the Midnight Whisper* spread a fearsome shadow across the feudal lands. Dark stories were told over shaking cups of sake of encounters with the clan, but there was little truth to these stories. In fact, if you happened to be unlucky enough to see one of these black clad warriors, the odds were that you would not live long enough to tell the tale. This plastic, 6" scale figure comes with multiple points of articulation, katana and wakazashi with sheathes, multiple heads (hood up/down, kunai, balaclava head, zukin head), a torso strap, and interchangeable hands (grip, fist, chop). (STL229856) Item has been previously solicited in *New to Order*. Scheduled to ship in May 2022. (3582/BNMIDWHISP) (C: 0-1-2) NOTE: No countries actually denied.

Figure.....\$39.99

ARTICULATED ICONS: SAKIT MARTIAL ARTIST 6-INCH FIGURE

From Fwoosh. Sakit, a highly skilled practitioner of the martial art known as Silat, ran a training school by day, and a small yet growing criminal organization by night. This 6 inch scale *Articulated Icons* figure features multiple points of articulation for interactive posing and play! Set includes: spear, two tonfa, grip hands, chop hands, and fist hands. (STL229706) Item has been previously solicited in *New to Order*. Scheduled to ship in May 2022. (3582) (C: 0-1-2) NOTE: No countries actually denied.

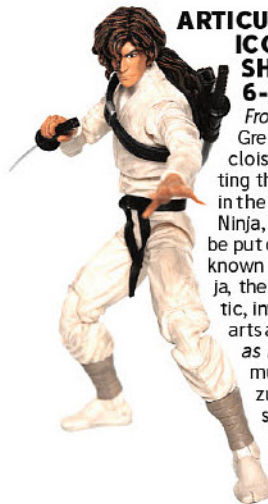

Figure.....\$39.99

ARTICULATED ICONS: SHOKEN AS NINJA 6-INCH FIGURE

From Fwoosh. The tumult created in the wake of the Great Ninja Wars quickly spread outside the heavily cloistered boundaries of the ninja themselves, upsetting the very tapestry of life for the innocents caught up in the conflict. There were those who rose up against the Ninja, seeing them as an outdated threat that needed to be put down for the greater good. While the mystery man known as Fumetsu waged an open war against the Ninja, the wandering hero Shoken adopted a different tactic, invading the ninja from within, using their own dark arts against them. This plastic, 6" scale figure of *Shoken as Ninja* comes with multiple points of articulation, multiple heads (hood up/down, balaclava head, zukin head, Shoken head), a Devil mask, torso strap, scarf and interchangeable hands (grip, fist, chop, splayed). (STL229854) Item has been previously solicited in *New to Order*. Scheduled to ship in May 2022. (3582/DNSHOKEN) (C: 0-1-2) NOTE: No countries actually denied.

INVADER ZIM ZIPPERMOUTH PLUSHES

From Quantum Mechanix. Irkens are expected to be unwaveringly loyal to the Empire, but Zim of Nickelodeon's *Invader Zim* is loyal to the point of absurdity. A narcissist and megalomaniac, he is blind to his many, many failures. This 10" tall Zim Zippermouth features his green Irk skin and the standard issue Invader uniform: a striped red tunic with pink collar and sleeves, as well as black leggings, boots, and gloves. Unzip his mouth, and a worm-like tongue

is revealed! Like all Zippermouths, Zim is a sculptural plush that's stitched with great precision using top-quality materials and designed to hold his shape no matter what self-inflicted disaster awaits him. Pair him up with his disguised robot companion, GIR Zippermouth (sold separately)! (STL229263) Item has been previously solicited in *New to Order*. Scheduled to ship in December 2022. STAR TREK

STAR TREK: FIRST CONTACT — CAPTAIN'S CHAIR 1/6-SCALE PROP REPLICA

From Newsom International. EXO-6 presents its first environmental display diorama replica with the Captain's Chair from the *Enterprise-E*! As seen in *Star Trek: First Contact*, this authentic 1/6-scale prop piece recreates the bridge command chair in extreme detail. The back and seat are molded in foam to replicate the look and feel of an upholstered chair, and the armrests have simulated control panels that light-up! The base also lights up as it did in the film. *Enterprise-E Captain's Chair* features various sounds and phrases from the film. The USB-C port in the base powers the chair with an included cable that you can plug into any USB power supply such as a computer or a wall socket adaptor (not included). Display this classic movie set piece with the EXO-6 1/6-scale Captain Picard figure from *Star Trek: First Contact* or on its own! (STL229332) Item has been previously solicited in *New to Order*. KOTOBUKIYA**SPOTLIGHT ON****ATTACK ON TITAN: LEVI (FORTITUDE) ARTFX J STATUE**

From Kotobukiya. An all new rendition of the world's most valiant squad captain of the Special Operations Squad in the Survey Corps joins Kotobukiya's ARTFX J series! Levi from one of the world's best-selling manga series, *Attack on Titan*, comes to life in a 1/7 scale figure! Although wounded in combat, Levi can be seen pointing the blade of his Three Dimensional Maneuver Gear at his enemy in this scale figure rendition. Shin Tanabe who sculpted Kotobukiya's original ARTFX J Levi has returned to craft this new rendition of Levi. (STL223144) Item has been previously

solicited in *New to Order*. Scheduled to ship in January 2023. (4898/PP875) (C: 1-1-2) NOTE: Same as Deny 233, but with Mexico allowed.

VOLTRON

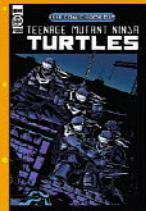

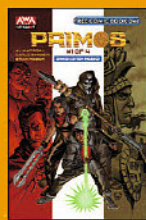

SPOTLIGHT ON

VOLTRON DEFENDER OF THE UNIVERSE: ROBO-DUO VOLTRON COLLECTOR FIGURE

From Threezero. Threezero's engineers have worked effortlessly to re-create the classic mecha Voltron in a presentation never before seen! The *ROBO-DUO Voltron* is designed to achieve a wider range of articulation and better combining functions than its contemporaries while maintaining the robot's iconic retro aesthetic. Accurately simulating its appearance on-screen, *ROBO-DUO Voltron* is a non-scale, fully-articulated figure standing approximately 10 5/8" tall in Voltron mode with a remarkable die-cast main frame and an impressive metallic finish to highlight the details of the mecha. Voltron is composed of five Lion mecha, and is able to split into Lion mode, or combine to form Voltron. All five Lion mecha are fully-articulated figures partly adopting zinc alloy and metal parts for the movable joints. Combined, the figure utilizes 124 points of articulation for the total of five machines, with a set of Voltron mode weapons in addition to a unique set of weapons for each Lion. (STL 227905) Item has been previously solicited in *New to Order*. Scheduled to ship in September 2022. (2026/3Z02050W0) (C: 1-1-2)

O/A BLUE ROSE RPG: ALDIS, CITY OF THE BLUE ROSE SOURCEBOOK HC

Welcome to Aldis: City of the Blue Rose! This beautiful, full color sourcebook lavishly details the capital city of the central nation in the *Blue Rose RPG*, providing players and Narrators alike the tools needed to tell stories using the city as a focus. From the intrigues of nobles in the High Ward to the entertainments in the Middle Ward to the roughest parts of town found in the Outer Ward, this supplement details people, important sites, and historical events of the City of the Blue Rose. Romantic fantasy narratives frequently remain focused around singular locations, giving time and opportunities for heroes to develop friendships, romances, and rivalries with the people to be found there, and this sourcebook provides everything to allow players in a *Blue Rose RPG* campaign to do just that! BLUE ROSE ADVENTURER'S GUIDE: FIFTH EDITION ROLEPLAYING IN THE WORLD OF ALDEA HC

Aldis, the Sovereignty of the Blue Rose, shines as a new light in the world after the dark age of the Shadow Lords. Envoys of the Sovereign's Finest strive to protect Aldis from threats like the Shadow-dominated land of Kern and the fanatical Theocracy of Jarzon, as well as corrupt monsters and artifacts left over from the devastating Shadow Wars. The peoples of Aldis — human, sea-folk, arcane vata, the doughty night people, and psychic, intelligent beasts known as the rhydan — unite in common cause. *The Blue Rose Adventurer's Guide* opens up the award-winning romantic fantasy world of Aldea for players of the Fifth Edition of the world's most popular fantasy roleplaying game. It comes complete with all of the ancestries, class options, feats, and more you need to create your own *Blue Rose* adventurers, and details on the unique arcana, magic items, and creatures of Aldea. VAMPIRE THE MASQUERADE: CULTS OF THE BLOOD GODS SOURCEBOOK HC

When you have already experienced death, why have faith? If you accept that you and everyone like you is cursed by God, why cling to His word? When you return from the other side as a blood-drinking monster, what purpose serves belief? While some vampire cults span the globe hiding in plain sight, others are fringe faiths with morbid practices and ancient conspiracies lasting centuries. Others such as the incestuous Clan of Death and the malignant Church of Set —arguably the largest vampire cults of all—believe in a destiny that will enable them to impose their wills on the world of the living and the dead. Whether for power, salvation, or transcendence, all Kindred cults wallow in blood. They shed it in sacrifice, demand it of their followers, and exalt in it in unholy baptisms proclaiming their divine glories. These cults dedicated to blood gods are among the most

insidious, damning sects of Kindred, and tonight they approach their apex of power. (STL231385) Item has been previously solicited in **New to Order**. (C: 0-1-2) **NOTE:** Available only within US and territories. HC (RGS 09622)\$45.00

VAMPIRE THE MASQUERADE RPG: CHICAGO BY NIGHT SOURCEBOOK HC

Accept no substitutes: Chicago is the city of vampires. Features: A history of Chicago from multiple vampire perspectives and accounts of the domain as it exists in the modern nights, along with systems for how to run this city like the twisted, dysfunctional machine it is. An introduction for the Clan of Night's entry to the Camarilla and rules for playing Lasombra in *Vampire: The Masquerade* 5th Edition, including their Discipline of Oblivion. Over 50 individual Kindred with biographies, ambitions, secrets, relationships, and reasons for inclusion in any given chronicle, along with fiction illustrating these characters and key locations around the city. **D&D ICONS OF THE REALMS:
PRIDE OF FAERIE DRAGONS**

A faerie dragon's scales change hue as it ages, moving through all the colors of the rainbow. They have a sharp mind, a fondness for treasure and good company, and a puckish sense of humor. Travelers can play to a faerie dragon's draconic nature by offering it "treasure" in the form of sweets, baked goods, and baubles in exchange for information or safe passage through its territory. (STL231917) Item has been previously solicited in *New to Order*. (C: 0-1-2)

NOTE: NECA Category 5 items - Available in US, UST, Canada, Australia, New Zealand & select countries.

Miniature (WZK 96143) \$39.99

**D&D ICONS OF THE REALMS:
YEENOGHU, BEAST OF BUTCHERY SET**

From *Wizards/NECA*, Yeenoghu, the Beast of Butchery appears as a great battle-scarred goblin, towering 14 feet tall. Yeenoghu is the Groll Lord, and his creations are made in his twisted image. The Groll Lord is covered in matted fur and taut, leathery hide, his face like a grinning predator's skull. Patchwork armor made of discarded shields and breastplates is lashed onto his body with heavy chains, decorated by the flayed skins of his foes. He wields a triple-headed flail called the Butcher, which he can summon into his hand at will, although he is as likely to tear his prey apart with his bare hands before ripping out its throat with his teeth. (STL227531) Item has been previously solicited in *New to Order*. (C: 0-1-2) **NOTE:** NECA Category 5 items - Available in US, UST, Canada, Australia, New Zealand & select countries.

Miniature (WZK 96144) \$79.99
